

"Honesty, Integrity & Decency"

R-ISC

Investigation & Surveillance Company

R-ISC specialises in the provision of desk-top investigative and surveillance services to the UK Insurance Industry.

- ▶ Certified to ISO 9001:2008 via a UKAS-accredited agency, the National Security Inspectorate and holders of the NSI's Gold Award.
- ▶ Registered with the Office of the Information Commissioner for the purposes of the Data Protection Act 1998.
- ▶ Members of the Insurance Fraud Investigator's Group and the Disability Insurance Service Providers Association.
- ▶ Wholly committed to supporting the Financial Services Authority's Treating Customers Fairly initiative as translated through our core values of Honesty, Integrity and Decency.

Transparency and compliance govern our strategic objectives. All assignments are undertaken lawfully and ethically thus giving our Clients complete confidence in the integrity of the service we provide.

- ▶ Our IT systems are protected by 'ESET' antivirus software and our Network is SOHO WATCHGUARD 6 Firewall protected.
- ▶ Our secure Evidence Library is protected by a monitored intruder alarm system and 24-hour CCTV, (infra-red and passive).

The service we deliver demands the very highest standards of honesty, integrity and decency. These core values underpin our strategic approach and ensure that your reputation is safe in our hands.

- ▶ Annual Client Satisfaction scores consistently in excess of 92%
- ▶ A culture driven by long term values, not short term results
- ▶ Externally audited every 6 months by the National Security Inspectorate.

There are many investigative and surveillance providers in the market place. It is not simply just the discipline, but the expertise within that discipline that identifies those to whom you can entrust your reputation.
