There were no matters arising from the previous minutes.

4. Chairman's Statement

Simon Grant (Chairman [RGA]) indicated that 2013/2014 had been an excellent year for the forum and thanked the committee for their support and hard work during this period.

2013/2014 saw a broad and varied mix of topics covered at the forum days with some excellent presentations. The days covered:

Dec 2013 – LUCID in a day – this was an opportunity to listen again to some of the better presentations from the event.

Feb 2014 – The Future of... – covered potential changes that we could expect in psychiatry, cancer, DWP changes and technology.

May 2014 – Why aren't we working – looked at claims management of CFS and musculoskeletal claims.

Sep 2014 – Mock trial – we were pleased to welcome back 2tg who facilitated a mock trial as part of a day looking at legal type issues. One of the most popular days with 130 attendees.

Reiterated that should anyone have any ideas for any future sessions or for things that we could do better then they should get in touch with him or any of the other committee members.

5. Treasurer's Report

Stuart Lewis (Treasurer [MetLife]) presented the accounts for 2013/2014.

The role of the Treasurer was explained to the members present. The role was to reassure committee and members that the forum have sufficient funds to ensure the running of the forum days, sponsorship and for maintenance of the website while maintaining a sufficient reserve (£10k) to cover the cost for one full forum day. Also the role is to monitor and recommend any changes to fees that may be required to facilitate this.

The Forum opened with a balance of £9,329.65 and closed with a balance of £19,536.43. It was noted that the closing balance included a sum of approximately £8,000 for the last forum where payment has yet to be collected so the true closing balance should reflect this.

In essence we broke even over the year and are in good shape to continue to run the days and fund necessary maintenance to the website.

Recommended that the fee structure be maintained.

Acceptance of the accounts was proposed by Sean Grainger (Scor) and seconded by Simon Corley (Aviva Life).

6. Constitution

Sean Grainger (SCOR) advised that this is available on the website.

There were some recent cosmetic changes to clarify the previously agreed changes. Overseas membership has been adopted rather than an e-membership category; the section covering fees for advertising and recruitment has been split into two distinct sections; the subscription and fees have been changed to falling due on 1st January each year, but at the discretion of the committee and subject to ratification at the AGM; clarified that there will be no more than 2 committee members from the same company on the committee at any time; the committee reserves the right to review committee membership upon a change of role; that 4 weeks' notice will be given in advance of AGM and that only one vote per full member company would be allowed. Changes proposed by Deb Yardella (L&G Ind) and seconded by Phil Deacon (Swiss Re).

7. Annual fees, attendance fees and advertising fees for 2015

Simon Grant (Chairman [RGA]) asked if all members could pay their fees promptly. It was recommended that the fee for forum attendance be maintained at no more than £125 per meeting and that this could be reduced during the year at the discretion of the committee.

Refunds would only be made for forum days where at least 7 days notice were provided. Changes of attendees can be made up to the day of the forum.

Job advert fees to be maintained at £300 for a 4 week period and the fee for advertising a flyer for associate members would remain fixed at a one off payment £250.

Changes proposed by Phil Deacon (Swiss Re) and seconded by Nigel Homer (Friends Life).

8. Committee membership and election of new officers/committee

Simon Grant (Chairman [RGA]) advised that none of the committee or officers were to stand down so proposed re-elect on bloc.

Proposed by Karen Winward (SJP) and seconded by Nigel Homer (Friends Life)
