

Welcome

Dementia Friends Information Session

Ravina Khela

Five things everyone should know about dementia

- Dementia is not a natural part of ageing
- Dementia is caused by brain diseases
- It's not just about losing your memory
- It's possible to live well with dementia
- There's more to the person than the dementia

Turning understanding into action

- Say 'living with dementia'
- Visit friends or relatives living with dementia
- Encourage others to become Dementia Friends
- Offer to help someone find the right bus
- Volunteer for a local organisation supporting people with dementia

Understanding the 5 key messages and committing to undertake a personal action means you are now a

Dementia Friend!

Thank you

and next steps
