Deaths in England and Wales

Known medical cause - Registrar issues final death certificate

- 'The Green'
- FD prepares burial form or cremation application

Sudden, unexpected, violent - HM Coroner

- If post mortem identifies medical cause – Registrar issues final death certificate
- If the Coroner opens an inquest – Coroner issues interim death certificate
- Final death certificate issued after inquest

The Chief Coroner

His Honour Judge Thornton

- Provide support, leadership and guidance for Coroners in England and Wales
- Set national standards for all coroners, including new inquest rules
- Keep a register of coroner investigations lasting more than 12 months, take steps to reduce unnecessary delays
- Monitor the system where recommendations are reported to prevent further deaths.
