http://apply.legalandgeneralgroup.com/vacancies/9132/LG/benefit_assessor/

Benefit Manager [VN-9134]

Requirements:

- Strong account management/business development experience
- Claims assessment skills
- In depth knowledge of all Group Protection products, past and present, particularly Group Income Protection is preferred

The job description and details of how to apply for the role can be found here:

http://apply.legalandgeneralgroup.com/vacancies/9134/LG/benefit_manager/

Our view is that these roles are suitable for agile working. This means we would consider a more flexible working arrangement, where your hours and work location are managed according to business, customer and personal needs. For these roles, you would be based in Hove, but you could work in other Legal & General offices or at home, as necessary, provided this meets business needs. Details of agile working will be discussed during the interview process.
