

Claims Assessor – Group Income Protection Brighton

This is a senior group income protection claims role. A highly desirable benefits package and compensation bundle, which includes market leading annual bonus, awaits a suitably experienced Claims professional. In return of a great salary, bonus and working culture we would like you to contribute to the proactive management of claims administered by MetLife, providing reassurance to customers through service excellence and accuracy of work, whilst developing and maintaining strong relationships with internal and external customers.

Key Responsibilities:

- Responsible for the timely and accurate assessment, decision making, settlement and communication of non-straightforward or complex Employee Benefits and Individual Protection Claims from beginning to end. These claims will be from our Group income protection and life insurance products.
- Acts independently within agreed authority and service levels. Decision making authority is an essential requirement.
- Provide exceptional levels of customers service to policyholders, clients and intermediaries in a professional and friendly manner.
- Manage the claims relationship for all customers within agreed portfolio.
- Ensuring all aspects of the claims function, including complaints are dealt with in accordance with all compliance, CBI, FCA, TCF and legal requirements.
- Identifying and investigating potential non-disclosure claims.
- Identifying and investigating potential fraudulent claims.
- Identify process issues and propose solutions for improvement within agreed business framework.
- Liaising with the Chief Medical Officer, underwriters and external service providers to ensure all appropriate information is obtained to assist in the assessment and ongoing management of claims.
- Maintaining a good working relationship with Reinsurers in order to maximise recovery from reinsurance contracts.
- Participation on claims project and change work as and when required.
- Provides claim sign off for colleagues.
- Might manage claim appeals within agreed process and authority level.

CANDIDATE QUALIFICATIONS:

Business Knowledge/Technical Skills:

- To be the best we are hoping that you will have already gained considerable experience and exposure in handling relevant claims. A minimum 4-5 years' experience on Group Income protection and Life claims is required.
- Experience can be solely from a Direct Insurer or from a combination of Direct Insurer and Reinsurer.
- Confidence in communicating claim decisions via the telephone and in writing.
- You will be able to demonstrate technical ability with claim assessment and decision making.
- Knowledge of Medical or Scheme Underwriting would be beneficial.
- You should have a willingness to study towards professional qualifications which MetLife will sponsor.

- You need to have experience, or receive training to quality check and give feedback on the work of others.
- Claim decision making authority is an essential requirement, either from previous experience or awarded by MetLife.
