Company Info

We take pride in being there for our customers. We help them deal with whatever life has in store and support them in achieving financial security; and that's thanks to the talented and dedicated people who work with us. For us, 'social responsibility' is not just a buzzword. It defines us and runs through everything we do for our customers and as an employer. And working with us, you'll get a competitive reward package and have the flexibility and autonomy to deliver your personal, business and career goals.

Department Info

At Legal & General Insurance we look after our customers throughout life, death and everything in between so that you know that everything that's important to you is protected. With over 180 years' experience in providing Insurance policies, our customers trust us to be there and to do the right thing.

We are an equal opportunities employer and welcome applications from all suitably qualified persons regardless of their race, sex, disability, religion/belief, sexual orientation, gender identity or age.

Job Duties

- Expertly assess Income Protection Claims, by analysing medical information and corresponding with claimants, medical professionals and others as appropriate
- Use medical & financial knowledge to establish validity of claims, pay valid claims and decline invalid claims by providing a detailed explanation to ensure the protection of Legal & General's reputation and profits
- Provide detailed recommendations to senior colleagues for cases outside of accountability level

Experience Required

- Experience of income protection claims assessment is **essential** to this role. Individual Income Protection experience is desired, but candidates with a Group Income Protection background will also be considered
- CII exams are **desirable**
- Claims Diploma is desirable and relates specifically to this role
- Claims processes
- Claims Philosophy
- Awareness of Compliance regulations, and adherence to these
- Extensive medical knowledge
- Understanding of Underwriting

Skills Required

- Ability to show empathy and sensitivity
- Good customer handling skills

- Good letter writing skills – especially when handling refuted claims
- Good writing skills – to summarise case notes clearly and succinctly
- Ability to look at a claim holistically – consider each case on its own merits
- Ability to present a case perspective so that complex claims are referred and properly considered
- Ability to handle communication with 3rd parties such as reinsurers and medical providers
- Ability to handle difficult calls, when researching circumstances which may lead to a claim being refuted

Benefits – why work for Legal & General?

Whatever your role, we reward ability, performance and attitude with a package that looks after all the things that are important to you. Our employees have a wide range of benefits including a generous pension scheme, life assurance, 25 days' holiday, private medical insurance, discretionary performance related bonuses, paid overtime, a variety of share schemes, discounts at both a huge range of high street stores and our own great products, your hard work will be rewarded when you join us.

Our view is that this role is suitable for agile working. This means we would consider a more flexible working arrangement, where your hours and work location are managed according to business, customer and personal needs. For this role, you would be based in Hove, but you could work in other Legal and General offices or at home, as necessary, provided this meets business needs. Details of agile working will be discussed during the interview process.
