

Senior Claims Assessor
Cheltenham / Home-based
Salary dependent on experience

We are growing and we therefore have an exciting opportunity for a Senior Claims Assessor to join us. Here at Capita we provide Claim Assessment and Underwriting Services for several well-known insurers. Quite simply we love what we do and if you are a Senior Claims Assessor with a passion for pro-active claim management and a real desire to support vulnerable customers, to make a difference when they need it most, we would love to hear from you. This is a full-time permanent position and homeworking can be considered.

What you'll be doing:

- Providing high quality claims assessment for a variety of new and existing insurers, proactively identifying and obtaining all information necessary to validate each claim and setting clear management plans
- Investigating claims for Waiver of Premium, Income Protection and Terminal/Critical Illness benefits and other products that may be specific to a client account
- Delivering an accurate, efficient and high-quality service in line with the Capita Life and Pensions service level agreements
- Providing thorough and robust justifications of decisions and liaise appropriately with colleagues, reassurers and Clients to ensure a fair and correct outcome
- Building and maintaining strong relationships with all customers, colleagues, reassurers, client company contacts and third parties such as Chief Medical Officers
- Offering professional and empathetic communication to our claimants throughout the assessment journey. Communication throughout the process is regular, timely and clearly documented to manage the claimant's expectations, adhering to treating customers fairly
- Supporting our pro-active approach to claim management by use of the telephone wherever appropriate to establish the circumstances of a claim, clarify information, triage and manage the expectations of the claimant

What we're looking for:

- A broad experience in assessing and managing IP claims as detailed above
- Extensive Medical Claims Assessment experience at a Senior level
- Excellent communication skills with a proven record of successful case management over the telephone
- Current knowledge of the protection market
- Ability to interpret and work to multiple Claim Philosophies
- Sound commercial awareness
- Strong decision making and innovative problem-solving skills
- Proven ability to build strong working relationships with colleagues, clients, reinsurers and 3rd party providers
- Solid understanding of current legislation and best practice in relation to claim handling
