

Claims Technical Consultant

Location: Swindon (minimum of three days per week with flexible/home working available)

Who we are:

Zurich Insurance Group (Zurich) is a leading multi-line insurer that serves its customers in global and local markets. With more than 55,000 employees, it provides a wide range of general insurance and life insurance products and services. Zurich's customers include individuals, small businesses, and mid-sized and large companies, including multinational corporations, in more than 170 countries. The Group is headquartered in Zurich, Switzerland, where it was founded in 1872. The holding company, Zurich Insurance Group Ltd (ZURN), is listed on the SIX Swiss Exchange and has a level I American Depositary Receipt (ZURVY) program, which is traded over-the-counter on OTCQX. Further information about Zurich is available at www.zurich.com.

We are an award winning organisation General Insurer of the Year, hold CII Chartered Insurer and are listed as one of The Sunday Times Top 25 best big companies to work for.

The opportunity:

We are currently looking for a Claims Technical Consultant to join our team at Zurich to oversee protection claims for the UK. You will provide expertise to develop and maintain the protection claims philosophy and ensure it is implemented and maintained in all operational Claims Teams in the UK.

Main Accountabilities:

- Help develop, maintain & communicate claims philosophies
- Provide technical claims expertise to other team members within Zurich, Capita and other areas of the business
- Provide feedback to claims and underwriting operational teams on errors, claims that make good case studies and good claims management
- Demonstrate expert knowledge of systems, products, processes and procedures in the claims environment
- Contribute to company-wide projects that require claims input, including product developments when required
- Promote positive customer perceptions, continuously developing customer relationships aligned to brand values and treating customers fairly
- Influence the proactive claims management of Income Protection, Critical Illness, Waiver of Premium and Protection death claims
- Identify breaches of claims philosophy, complete a monthly breach log and provide Claims Development Manager with a monthly breach report
- Share knowledge and expertise with other team members, identify training needs within the Capita claims teams and ensure appropriate training is delivered

- Provide input regarding assessor autonomy structures and the award of autonomies.

Your skills and experience:

- High level of Claims assessment experience covering all areas of critical illness, income protection and death claims (either in group and/or individual claims)
- Significant knowledge of products, processes and services
- Strong customer focus
- Good levels of authority
- Ability to work in a team but also self-driven
- Capacity to cope with varying workloads and pressures
- Excellent verbal and written communication skills
- Confident autonomous decision making

The Reward:

In return we are offering an attractive salary plus a generous benefits package including bonus and defined contribution pension scheme. We are committed to continuous improvement and we offer access to a comprehensive range of training and development opportunities.

Additional Information:

As an equal opportunities employer, Zurich celebrates the diversity of our people and we welcome applications from everyone.

In 2014 Zurich achieved 14th place in the Sunday Times 25 Best Big Companies to work for, the fifth year in a row that we have featured in this list - which we are incredibly proud of! To find out more please visit www.zurich.co.uk/careers
