

Medical Underwriter (Income Protection)

Location – Cheadle (Cheshire)

Salary - Circa £35,000 fte depending on experience

We are looking for an experienced underwriter to join our friendly team.

Who we are?

A modern mutual society offering a range of adult and children's savings products, income protection and life insurance. We have a member-focused team who are committed to delivering a service which is fair and in the best interests of our members.

The role

You will support the Society's underwriting team in the delivery of new underwriting capability, which will enable us to manage underwriting performance and meet our business targets. We are looking for candidates with previous Medical/health insurance experience within a similar underwriting role.

Responsibilities:

- Supporting the Society's underwriting philosophy in ensuring robust and accurate underwriting decisions are appropriate to the commercial risk.
- Supporting the delivery of the Society's Conduct Risk policy, ensuring the experiences and outcomes to our customers are at the heart of all decisions taken.
- Providing underwriting guidance both internally and externally.
- Supporting key stakeholders by building and maintaining relationships with key business partners.

Skills, Qualifications & Experience:

- Three years plus underwriting experience
- Current knowledge and experience of the protection market
- Ability to form and maintain professional working relationships with colleagues, members and suppliers

- Good understanding of medical terminology and the ability to interpret medical information.
- Ability to deliver first class levels of customer service.
- Highly articulate and numerate, with the ability to deliver exceptional attention to detail.
- Highly analytical and with the ability to take ownership of tasks

We will consider applications from those looking for part-time or flexibility in their hours.

If interested, please send your CV to Mtaylor@shepherdsfriendly.co.uk or call 0161 428 1212 for more information.
