

Claims Specialist/Senior Claims Specialist

About Us

General Re Corporation, a subsidiary of [Berkshire Hathaway Inc.](#), is a holding company for global reinsurance and related operations. It owns General Reinsurance Corporation and General Reinsurance AG, which conduct business as Gen Re.

Gen Re delivers reinsurance solutions to the Life/Health and Property/Casualty insurance industries. Represented in all major reinsurance markets through a network of more than [40 offices](#), supported by over 2,000 employees worldwide, we have earned superior financial strength ratings from each of the major rating agencies.

Gen Re has a superior financial strength rating of A++ from A.M. Best. We currently offer an excellent 12 month fixed term contract opportunity for a **Claims Specialist/Senior Claims Specialist** in our **London Office**.

The Claims Management team exists to assist in the Company's management of profitable reinsurance business. It does this by:

- Making correct claims decisions including which claims are valid & which are not valid, as well as identifying rehabilitation potential.
- Undertaking focused research, which will generate competitive advantage through superior understanding of risk.
- Creating an image of the company as a thought leader through client meetings, articles, and presentations.
- Monitoring and supporting client claims management practices and ensuring they remain rigorous.

Position Responsibilities:

- Contribute to the assessment and administration of claims from a variety of product lines, including Life, Critical Illness and Disability Claims according to the Gen Re Claims philosophy and standards
- Monitoring and supporting client claims management practices and ensuring they remain rigorous
- Build on the existing relationships of the Gen Re Claims Team's Internal and External Clients

Behaviours, experience and competencies:

- Previous experience (3+ years) working in a Life Health Team at an insurer or reinsurer is essential
- Experience and knowledge of dealing with life, critical illness and disability claims
- University degree and/or relevant work experience
- Proficient in Microsoft Excel
- Excellent oral and written communication skills
- Ability to produce quality work in a timely manner
- Ability to work both independently, and in a team environment
- Strong analytical and problem-solving skills
- Ability to work in challenging situations, multi-task, flexible, adaptable, and self-starter
- Strong attention to details
- Highly developed interpersonal skills
- Ability to remain calm under pressure
