

Vacancy: Claims Management Specialist
Location: Dorking (Surrey) or Basingstoke (Hampshire)

About Unum

We are Unum (pronounced you-num) and we're one of the UK's leading financial protection insurers; that means we sell Income Protection, Critical Illness cover and Life Insurance. We insure 47 of the FTSE 100 and at the end of 2014, Unum protected almost 1.4 million people in the UK and paid claims of £313 million - representing in excess of £6 million a week in benefits to our customers - providing security and peace of mind to individuals and their families. We have offices throughout the UK. Our Head Office is based in Dorking, Surrey. Our two other main offices are situated in Bristol and Basingstoke and we have regional sales offices throughout the UK, including Birmingham, Glasgow, London and Manchester.

About the Role

As a Claims Management Specialist you will be responsible for the proactive management of claims administered by Unum, providing the financial security and support to enable our customers to focus on recovery whilst developing and maintaining strong customer relationships within and outside the company.

You will liaise with claimants, employers and medical specialists to proactively identify and obtain the necessary documentation and information to validate a claim.

Whether dealing with internal or external customers you will look to provide a high level of customer service at all times - handling daily queries from Brokers, Policy Holders, Internal Doctors, Insurance Nurses and Vocational Rehabilitation Consultants as you successfully deal with the varied and challenging nature of the role.

You will review medical records to provide critical analysis and make informed recommendations to a panel of stakeholders in a round table environment. Full and extensive training will be provided.

An important aspect of the role is to build and maintain strong relationships with all customers, working closely with Sales and with Premier in developing and maintaining business, including attendance at company meetings to discuss claims and service issues as representative of Unum. You will also work closely with the Customer Care rehabilitation team in promoting and assisting claimants in returning to work

About You

So what are we looking for? The successful candidate(s) will be an experienced claims assessor, and must be able to demonstrate specific experience of assessing Income Protection claims.

You will have an understanding of the NHS, Psychology of illness, Understanding of long term medical conditions, diagnosis, treatment and prognosis.

We take immense pride in the service we deliver to our customers and as such we are looking for those who can demonstrate an exceptional level of communication skills, customer focus and conflict management whilst managing an extensive client portfolio. We

would also expect you to provide coaching and support for the development of less experienced Claims Management Specialists to ensure team performance in line with departmental expectations and including file reviews as required. CII certification desirable but not necessary.

Reward and Benefits

A highly competitive pension scheme
Performance based bonus scheme
Income Protection from 1st day of employment
Unum Health cash plan
27 days annual leave + 8 days bank holidays
Flexible benefits package

We are recruiting for both our Basingstoke and Dorking offices.
