

CLAIMS ASSESSOR

Location: Bedford

Annual Salary: £23,000 - £25,000

If you are a claims or health professional with a strong grasp of medical conditions, this is a fantastic opportunity to take your next step with a highly successful company.

Established more than 100 years ago, we are a trusted provider of income protection solutions, an opportunity has now arisen for a Claims Assessor to join our team.

Offering a market-leading environment, we focus on recruiting and developing exceptional employees to maintain our position and drive the business forward. In order to achieve this, we encourage and enable skills development and promote core values that are designed to attract, motivate and reward our personnel.

As a Claims Assessor, you will be responsible for a wide range of claims related duties, including the assessment and administration of new claims and the management of ongoing claims.

You'll be deeply involved in all areas of a claim, including financial and medical aspects, from issuing claims forms and assessing validity through to payment of claims and associated administration duties.

To be considered, you must have:

- Experience of claims assessment
- A broad understanding of medical conditions, treatments and/or duration, and of medical reports
- Good numeracy, letter and report writing skills
- A strong level of IT literacy, especially with Microsoft packages, including Word, Excel, Outlook

Organised, approachable and eager to help, as a Claims Assessor, you must possess good written and verbal communication skills, an eye for detail and a process oriented attitude.
