

Job title: Claims Assessor

Location: Edinburgh, Glasgow, homebased

Contract type: Permanent

At Royal London we want to attract the best talent to help us achieve our vision of becoming the most trusted and recommended financial company in the UK. We are the largest mutual life, pensions, and Investment Company in the UK.

Our culture is welcoming, friendly, flexible and we aim to make you always feel included. We welcome applications from individuals who have taken an extended career break or those who are transitioning from different sectors. To support this, we are always open to discussing flexible working arrangements, part-time opportunities and job shares to give you the freedom to be your best. It's what makes Royal London a great place to work.

For more than 150 years, people have been at the heart of all that is great about Royal London. We know that this is a difficult and uncertain time for everyone and are doing everything we can to support our customers, our people, and candidates.

Maintaining the [Spirit of Royal London](#) is of paramount importance to us as we face new and different ways of working. That is why we are embracing technology throughout our recruitment process to support interactions. As you embark on your journey with us, we will engage with you via email, telephone, and video to ensure we all remain safe. We are committed to wellbeing and at this challenging time, it remains our priority.

Our Protection Claims team continues to grow and thrive and we have an opportunity for experienced Claims Assessors to join our team in Edinburgh, Glasgow or remotely with regular travel. This is an exciting time to join the business, playing a pivotal role in driving growth and delivering our dynamic proposition to the market.

Role purpose

The key purpose of the role is to assess claims and look for ways to pay them as effectively as possible to fulfil the client customer commitment and deliver a superior service.

Key responsibilities

- View each claim with an independent mind and consider them on their own merits in line with philosophy and standards.
- Understand the philosophy for protection claims and the governance around this.
- Make sound assessment decisions by detailing thought process at each stage to ensure consistency of process.
- Understand our customer's situation, empathising and using all resources available to alleviate the circumstances.
- Communicate regularly with our customers to keep them updated on the progress of their claim
- Communicate regularly with re-assurers with adherence to treaty agreements.
- Have regular contact with reassurer both to discuss claims and to ensure quality/standards are suitable.
- Preparing files into a high standard for onwards transmission to reassures.
- Making relevant and suitable comments to show thought process leading to final decision/recommendation to support files.

Essential Criteria

- Current Claims experience of Individual Protection Products
- Experience in managing an allocation of claims from intimation through to final decision/recommendation taking ownership for the quality, accuracy, and timely delivery.
- Proven record in ownership of identifying and resolving all complaints/enquiries, seeking to resolve at FPOC, escalating when the solution is out with your empowerment.

- Ability to build relationships with our customers through predominantly phone-based communication.
- Ability to document and demonstrate appropriate evidence gathering and decision rationale on each case summary. All summaries follow best practice guidance and are short, clear, and unambiguous.
- A team player who excels when working in a collaborative and supportive team environment and can establish trust quickly within that team.
- Identify and drive change, getting involved in opportunities to make our processes slick & efficient to improve the customer and colleague experience.

Desirable Criteria

- Ability to work within a team but also to manage own workload.
- Good relationship builder.
- Ability to use feedback as a tool to continually develop

What we offer

- We've always been proud to reward employees by offering a number of [benefits](#) such as Pensions and Protection, Performance and role-related benefits, Lifestyle and Wellbeing
- Our culture comes from within, or to put it another way, it comes from our people. It's what makes Royal London [a great place to work](#).
- Our [People Promise](#) is something we live up to every day. We know we can rely on you, and you can expect plenty from us in return.
- [Glassdoor](#) have again ranked as among the best places to work in the UK

We are an equal opportunities employer. We work hard to attract the best talent for our award-winning team. We believe that embracing

difference makes us stronger. Our diverse people bring us different skills – whatever their educational background, disability, gender, age, sexual orientation, race, religion, or belief.

In fact, the first pillar of our [People Promise](#) is designed to make sure you 'work somewhere inclusive'. We want to live up to this promise; it's good for our people and good for our customers too, because our workforce should reflect our communities.
