Claims Case Manager / Claims Assessor

Location: Swindon

We are looking for an experienced claims assessor to join our expanding and highly customer focussed team who has a passion for delivering a first class customer experience.

This is an exciting opportunity to join our claims team who deal with all aspects of Group Income Protection claims case management.

The successful candidate will manage their own case load of Group Income Protection claims with responsibility for building and maintaining effective relationships with their customers.

Our experienced Claims Case Managers have full autonomy for the assessment of their portfolio for claims and decision making authority. Claims Case Managers also provide proactive support to employers and employees through allocation of vocational rehabilitation and medical and financial assessment of claims in line with policy terms and conditions.

In return we are offering an attractive salary plus a generous benefits package, including bonus, and defined contribution pension scheme. We are committed to continuous improvement and so we also offer access to a comprehensive range of training and development opportunities.

Closing date for applications is 9 November 2014.
