

Claims Assessor

We are currently seeking to recruit an experienced Claims Assessor to join our Underwriting & Claims team here in London. The ideal candidate will have experience of Life, Critical Illness and Disability claims. We are very open to candidates who may currently be working in a direct office and have an interest in moving to reinsurance.

We are very open to candidates who want to work flexibly in this role.

Main Duties

- Assessment of life, critical illness and disability claims in accordance with Pacific Life Re claims philosophy
- Participation in the development of Pacific Life Re client relationships and regular client audit programme
- Assist in the development of Pacific Life Re market profile predominantly in UK and Irish markets, including involvement in the PL Re training and client visit programme
- Providing support for the team Claims Support Technicians as required including claims administration

Skills / Experience

- Proven experience of working in a life and disability claims department in an insurance or reinsurance company environment
- Thorough knowledge of life and disability claims practices
- Experience of all major UK products including life cover, critical illness and income protection
- Good working knowledge of life and disability insurance industry regulation
- Educated to A-Level standard
- MS Office

Pacific Life Re – Who are we?

At Pacific Life Re, our vision is to bring an innovative and dynamic approach to the marketplace. Our global team, comprising some of the best minds in the industry, is not afraid to disrupt and challenge industry thinking to provide the best Life, Critical Illness, Income Protection, Hospital Cash and Longevity products and services possible.

Working in some of the most complex and fast-moving markets has taught us that knowledge and innovation go hand in hand. We pursue personalised, bespoke solutions for every one of our clients and our commitment to cutting-edge technology reflects our ambition to offer the most sophisticated answers to the most challenging reinsurance questions. Today, we are continuing our rapid growth internationally with offices across Europe, Asia, North America, Australia and a new global HQ in Bermuda.

With over 700 employees across the globe, we take pride in our 'family' culture, underpinned by our Principles and Behaviours, providing an environment where everyone can grow and develop. We are equally proud of the security and freedom we possess from having the backing of our parent company Pacific Life. With a heritage of more than 150 years, Pacific Life provides strength and resilience to our business which enables us to bring our fresh and dynamic approach to the marketplace.

As part of our commitment to diversity and inclusion, we will provide reasonable adjustments during the recruitment process to ensure equal access to applicants with disabilities. Please contact us about your needs so that we can discuss these with you to make sure that suitable adjustments are made, where possible.

Working at Home During the Pandemic

At PL Re, the pandemic hasn't slowed us down. We are continuing to recruit, and onboard new hires supported by our flexible work options which include 100% working from home during the pandemic.

We place the health and wellbeing of our employees at the forefront of what we do. We've invested in providing a high level of support for our employees who continue to work from home, including regular online collaboration events, providing suitable home-working equipment, and flexible working options, as well as weekly online exercise classes and regular social activities.

Our commitment to our employees doesn't stop there. We're continuing on our journey to create an ever more diverse and inclusive culture, supported by a new smarter approach to working. We want to make sure everyone is looked after and supported and that includes local communities. We regularly contribute by giving staff time off for volunteering activities and making charitable donations.

UK Benefits

We offer a generous benefits package including a discretionary bonus; stakeholder pension scheme; BUPA; Life Insurance; 25 days holiday; STL; Group Income Protection; subsidised gym membership and more.
