

Job Title: Claims Assessor
Salary: £20910 – £27540 per annum

Serco is an international service company that improves the quality and efficiency of essential services that matter to millions of people around the world. The work we do for national and local governments involves us in the most important areas of public service, including health, education, transport, science and defence, and Our private sector customers are industry-leading organisations in a wide variety of markets.

Aegon are an international provider of life insurance, pensions and asset management, with businesses in over 20 countries around the world. We provide retirement, workplace savings and protection solutions to over two million customers in the UK, helping them create the tomorrow they want.

We are currently recruiting for a Claims Assessor to support our contract with Aegon in Lytham. The purpose of the role will be to support the accurate assessment and processing of life and critical illness claims. To ensure fair treatment of policy holders and financial advisors in respect of Aegon Individual Protection business in a timely and efficient manner that is in line with agreed claims philosophy, practices and Aegon standards. To communicate effectively and demonstrates excellent customer care skills. To work within a regulatory framework and taking into account legal and compliance regulations. To Support business and department objectives in line with the clients agreed philosophy and standards.

Responsibilities:

- Process claims within the required service standards and in accordance with departmental objectives.
- Produce accurate assessment of all claims using; title, medical, financial, occupational and pursuits evidence in line with claims philosophy and practices. Refer as appropriate to the Consultant Medical Officer (CMO), reassurers, Line Manager and Aegon strategy.
- Handle and support complex customer and IFA enquiries. Demonstrating empathy and strong customer care skills both written and verbal.
- Provide guidance to others in order to resolve queries using appropriate processes, tools, systems and philosophy.
- Positively contribute to and participate in projects to support the development and delivery of claims/technical projects in an efficient and timely manner that is in line with agreed claims philosophy and practices.
- To support business change activities and provide input as a Subject Matter Expert (SME) where required.
- An understanding of handling complaints in line with regulatory timescales and company procedures.
- Willingly share knowledge with colleagues and adjust approach to work effectively with others.
- Contribute to the effective management of claims costs including medical fees and seek and communicate opportunities to reduce costs.
- Operate in such a way as to minimise and alleviate reputational and financial risk to both Serco and Aegon.
- Operate within defined authority levels – Working towards admission limits for Life Protection and Critical Illness benefit.
- Abide by all regulatory and compliance requirements in carrying out the requirements of the role, informing stakeholders where relevant e.g. Financial Conduct Authority (FCA).

- Escalate issues that are outside of personal authorisation limits as appropriate.
- Maintain data and records in line with regulatory, reinsurer and company requirements.
- Participate in learning and development to achieve a continuous and up to date understanding of Aegon and market related products and processes.
- To behave internally, in the communities in which we operate and when externally representing the company, in accordance with the Governing Principles and Serco Management System.
- To adhere to all Serco requirements associated with Safety, Risk and Compliance.
- Effectively manage internal and external stakeholders and regulatory bodies.

Knowledge, Skills and Experience:

- Decision Making
- Teamwork
- Excellent communication skills
- Effective time management and work planning
- Customer Relationship Management
- Knowledge of Aegon Life and Pension products or similar
- Developed competence in MS Office Suite
- Claims Diploma desired but not essential. Experience in lieu of qualification will be considered.
- Experience of working in a busy claims environment
