Head of Life and Health Claims UK

Position Overview :

- By implementing the claim philosophy, promoting Best Practice and monitoring the prescribed control and monitoring measures within the L&H United Kingdom Business Unit (B), contributing thereby to the profitability of the reinsurance ceded.
- By sharing expert knowledge and effective claim management techniques, to enable the BU to enhance their image and competitiveness and, as a result, contribute to
- Producing an increasing volume of profitable business.
- Through communication skills (publications, public speaking, etc.), to raise profile, credibility and visibility of SR L&H's claim expertise, increasing thereby SR L&H's competitive position.
- Through liaison with the teams, as well as with the clients, to ensure optimum product design and claim management.
- To lead teams that deploy superior technical skills to ensure that Swiss Re is the preferred provider of claims solutions to clients, ensuring claims operational excellence across all lines of business and providing an environment to nurture and stimulate the continued development of our staff;
- To lead and develop a functional department through effective management of people, finances and resources.

The opportunity

- Promotes and implements Best Practice claim procedures and recommends claim management tools to both direct and traditional claims teams.
- Monitors the adherence to the Claims Acceptance Limits and the Large Case Authorisation procedure in terms of claims submitted to Swiss Re.
- Is responsible for setting and monitoring the budgets and expenses.
- Supports the BU in the provision of services to their clients, e.g. claim seminars, claim audit programmes, participation in setting of treaty limits, etc.
- Effectively liaises with the actuarial, underwriting, medical, legal and other claim units within SR L&H United Kingdom to share and increase know-how .

- Develops networks with other disciplines and external claim service providers (both within SR L&H and externally).
- Produces statistics on claims experience and profitability designed to warn management early of problem areas and developing issues in product risk management.
- Produces quarterly a management report on claim activities in the United Kingdom region.
- Embodies SR L&H's high professional profile through client contacts as well as participation in local claim committees, insurance associations and the Local Regulation Committees
- Mentors claim analysts and medical staff on complex, contentious and litigated claims
- Provides claims leadership and management vision for the business operation
- Builds effective teams and a high performance organisation
- Ensure delivery of appropriate claims services to clients at a consistently excellent standard
- Feeds into and influences global claims best practice
- Ensures that know-how and information is constantly communicated to the relevant stakeholders throughout Swiss Re
