

Hi there.

LV in Exeter is looking to increase the size of its life protection claims team. We are seeking an experienced claims assessor. We are looking for an individual to work with an established experienced team dealing with all life products – life, critical illness, income protection and unemployment.

We accept that you may not have experience of all these products – but essential to any application is that you are able to demonstrate a successful background in managing income protection claims

Home working may be considered.

If you do not currently work for LV=, please visit our external careers site at LV.com and search for the following job reference number to find out more; LI001421.

If you have any queries, please call us on 0800 066 5331 or drop us a note at lv.recruitment@lv.com.

Les Dilley
Claims Manager
