Life & Health Claims Specialist

About Swiss Re

Swiss Re is one of the world's leading providers of reinsurance, insurance and other forms of insurance-based risk transfer, working to make the world more resilient. We anticipate and manage a wide variety of risks, from natural catastrophes and climate change to cybercrime. We cover both Property & Casualty and Life & Health. Combining experience with creative thinking and cutting-edge expertise, we create new opportunities and solutions for our clients. This is possible thanks to the collaboration of more than 14,000 employees across the world.

Our success depends on our ability to build an inclusive culture encouraging fresh perspectives and innovative thinking. We embrace a workplace where everyone has equal opportunities to thrive and develop professionally regardless of their age, gender, race, ethnicity, gender identity and/or expression, sexual orientation, physical or mental ability, skillset, thought or other characteristics. In our inclusive and flexible environment everyone can bring their authentic selves to work.

About the Role

- Manage and provide technically correct decisions on a portfolio of claims, applying the appropriate balance of service and risk management according to Right Service Right Client principles and the risk presented to Swiss Re
- Actively manage and review individual claims providing technically correct claims management decisions in accordance with Swiss Re's claims philosophy, policy conditions, reinsurance treaty and agreed service standards
- Proactively analyse claims portfolios, using quantitative and qualitative insights, on a regular basis to identify trends, risks and opportunities

- In course of daily interactions with clients and peers, identify developments/trends (e.g. in medical practice, consumer behaviour, legal and regulatory) that may pose threats or opportunities to the profitability of Swiss Re's L&H business
- Perform deep dives to gather experience and deeper insight/understanding where appropriate
- Perform client claims audits to ensure best practice and common claims philosophy
- Proactively share claims insights, knowledge and experience with appropriate stakeholders in Swiss Re
- Produce and deliver client, external and internal claims training and thought leadership, promoting the Swiss Re brand
- Support the L&H team in the delivery of claims services
- Proactive and cost-effective use of internal resources e.g. Medical Advisers, clinical colleagues, Legal counsel, Underwriting, Portfolio Management
- Contribute to business projects and initiatives ensuring relevant claims issues are considered appropriately
- Communicate clearly and empathetically with clients on all claims activity
- Record and maintain accurate claims data on Swiss Re systems
- Comply with all Company Guidelines and Codes of practices

About the Team

Life & Health Business Management EMEA is responsible for managing the inforce business. There are teams leading Claims, Technical Accounting, Actuarial Management, and Portfolio Management activities. Life & Health Business Management team works collaboratively with our internal partners and client companies, sharing insights, building best practices and leveraging our global knowledge and expertise effectively. The team aims to actively manage our in-force business to deliver maximum shareholder value and to protect the L&H balance sheet. You will directly report to the L&H Claims Manager currently responsible for the UK and Ireland.

About You

- You have medical, occupational, avocational and financial knowledge relevant to claims
- You have a full understanding of relevant best practice issues and initiatives which impact on bottom line results
- You have excellent interpersonal skills including strong negotiation and influencing skills
- You are agile, solution orientated and have a commercial mindset
- You are analytical
- Holding A Levels/ACII/DLDC is desirable
- You have an awareness of Swiss Re structure
- You have a solid understanding of all ABI guidelines and statements of best practice and of the UK regulatory environment including but not limited to the FCA and FOS

We are an equal opportunity employer and value diversity at our company. We do not discriminate on the basis of race, religion, colour, national origin, gender, sexual orientation, age, marital status, veteran status, or disability status.
