EAP

The Role

The Claims Assessor will assess and co-ordinate the members claim from initial call and throughout; liaising with medical providers, ensuring that all parties have the relevant information, and the patient receives appropriate authorisation for private medical treatment as per the terms and conditions of their policy.

The Claims Assessor will be required to work a 35 hour week, Monday to Friday covering 8am to 6pm and Saturday mornings from 8am to 1pm. We operate a shift pattern Monday to Friday, shifts are 8am to 4pm, 9am to 5pm and 10am to 6pm. Individuals may be required to work 1 Saturday per month for which overtime is paid.

Responsibilities:

- To take calls from members in relation to requests for private medical treatment.
- To assess members requirements against the terms and conditions of the policy.
- Understand and apply knowledge of multiple clients and schemes.
- Answer incoming calls promptly and within SLAs, providing the highest level of customer service at all times.
- To represent the client and/or Healix in a professional manner at all times.
- Obtain medical evidence from providers to substantiate claims decision/treatment.
- Deal with queries from members or providers
- Ensuring treatment delivered is relevant and appropriate by monitoring ongoing treatment plans for members.
- Negotiating provider fees to within the Healix Reasonable and Customary fees, as part of cost containment for clients.
- Pro-actively communicating with all parties providing relevant information to:
 - Our clients
 - The treating medical team

➤ Members of the Healix team

- Escalating any complaints in a timely manner to your direct line manager.
- Ensure all documents are correctly allocated on Case Management System.
- Maintain accurate and contemporaneous record keeping.
- Responsible for managing reminders and any outstanding actions.
- Adhere to all internal processes and procedures at all times.
- Providing feedback, and assisting in the development of standard operating procedures and protocols.
-

Our Requirements

We are looking for an individual with the following areas of expertise:

- Proactive in keeping up to date on all our clients' requirements and able to locate and interpret all relevant policy documentation.
- High standard of customer service and ability to demonstrate customer led thinking.
- Decision making skills and ability to use own initiative.
- A diplomatic open style and approach, with excellent verbal and written communication.
- A high degree of accuracy and attention to detail.
- A good understanding and previous experience of the private medical insurance industry and claims processing, would be an advantage.
- PC skills with good knowledge of Microsoft packages.
- The ability to plan and organise own workload, and work well under pressure.
- The ability to work well both independently and as part of a team.
