We are looking for an additional **IP Claims Assessor** to join our IP Claims Team at The Exeter.

The role is varied and covers both administration and telephone support to our team of claims handlers, calls will vary from medical professionals and brokers to ill members who require your help, support and empathy.

The IP Claims Assessor role is offered at full-time, 35 hours per week (Monday to Friday, 7 hours per day between 8am and 6pm). However, we are happy to discuss the opportunity of flexible working as part of the recruitment process, and this may include part-time, condensed hours or job share.

Responsibilities of the role include:

- Assessment and authorisation of IP, Life and Terminal illness claims swiftly and accurately in accordance with policy terms and conditions, claims procedures, and claims philosophy
- Developing core capability to assess, approve and process claims
- Reviewing ongoing claims with appropriate referrals and make recommendations for management plans
- Liaising effectively with medical professionals, intermediaries, and internal and external customers
- Providing support and guidance to customers in relation to claims; both the large majority that are successful and in the small minority where it is necessary to decline the claim
- Sourcing and arranging independent assessments, treatments, home visits and private investigators in conjunction with current claims management policy
- Having regular contact with policyholders via the Health Claims Advisory Service to build relationships and assist with a smooth and uneventful return to work
- Writing confidential correspondence to medical professionals, financial advisors, policyholders, reassurers, employers, and suppliers where appropriate, ensuring that urgent issues are brought to the attention of the Manager
- Researching and keeping up to date with developments in the industry and initiatives in claims management
- Assisting with the development of the claims philosophy, service, systems and procedures
- Understanding the relevant financial regulators Principle based Regulation and to report any failures/potential risks to the Manager immediately

We need you to be:

- An effective communicator both verbal and written
- Organised and proactive and able to manage a varied workload
- A strong attention to detail, following established processes and procedures with accuracy
- Experienced in dealing with difficult customers & building rapport
- A solutions person, with the ability to make decisions
- Capable user of Microsoft Office software
