Serco is an international service company that improves the quality and efficiency of essential services that matter to millions of people around the world. The work we do for national and local governments involves us in the most important areas of public service, including health, education, transport, science and defence, and Our private sector customers are industry-leading organisations in a wide variety of markets.

Aegon are an international provider of life insurance, pensions and asset management, with businesses in over 20 countries around the world. We provide retirement, workplace savings and protection solutions to over two million customers in the UK, helping them create the tomorrow they want.

Serco is currently recruiting 4 Senior Claims Assessors to support our contract with Aegon in Lytham. The purpose of the role is to ensure the accurate assessment and processing of life and disability claims, ensuring fair treatment of policyholders and financial advisors in a timely and efficient manner.

Responsibilities:

- Process claims within the required service standards ensuring relevant treating customers fairly (TCF) principles are applied.
- Produce accurate assessment of all claims using; title, medical, financial, occupational and pursuits evidence in line with claims philosophy and practices. Refer as appropriate to the Consultant Medical Officer (CMO), reassurers.
- Handle and support complex customer and Independent Financial Advisor (IFA) enquiries.
- Support the development and delivery of claims/technical projects in an efficient and timely manner.
- Lead claims specific small change and projects.
- Handle complaints and appeals in line with regulatory timescales and company procedures.
- Contribute to the effective management of claims costs including medical fees and seek and communicate opportunities to reduce costs.
- Operate in such a way as to minimise and alleviate reputational and financial risk to both Serco and Aegon.
- Manage and support internal/external stakeholders to continuously enhance service delivery.
- Operate within defined authority levels – Minimum admission limits of £100k Life Protection, £75k Critical Illness, £350 per week Income Protection and Waiver of Premium and £50k total and Permanent Disability Benefit.
- Abide by all regulatory and compliance requirements in carrying out the requirements of the role, informing stakeholders where relevant e.g. Financial Conduct Authority (FCA).
- Contribute to future improvements based on analysis of complaint root cause.

Essential Qualifications, Skills and Experience:

- Extensive experience and a comprehensive knowledge of dealing with life and critical illness claims within financial services
- Excellent knowledge of Life and Pension products.
- FCA Dispute Resolution and knowledge of TCF principles.
- Risk management and confidence in own decision making when dealing with complex claims/queries.

- Act as a source of technical guidance to others in order to resolve technical queries using appropriate processes, tools, systems and philosophy
- Support and deliver training to others as appropriate
- Excellent communication and customer relationship management skills when dealing sensitive and vulnerable customers with life, disability and critical illness claims and queries.
- Developed competence in MS Office Suite.

Preferred Qualifications, Skills and Experience:

- Financial Services Qualifications or Claims Diploma
- Experience of Disability Claims handling including Waiver of Premium (WOP), Income Protection and Permanent and Total Disability Claims
