We're the #1 best place to work in the insurance industry!

We're delighted to have been awarded a Glassdoor Employees' Choice award, recognising us in the top 20 UK's Best Places to Work in 2022 and the only UK insurer to make the list. The Employee's Choice award recognises employers that shine brightest according to those who know a company best – the employees.

We are on a journey of change and transformation. Our ambition is to be the best retail protection provider for our advisers, customers and our people. We are looking for people with excellent customer service, people who put the customer at the heart of everything they do to join us as we bring together all of our retail protections teams together within Zurich.

In return for your commitment to help us achieve our ambition we can offer an outstanding place to work, where you thrive and grow.

This role is available part-time, job-share or full time. This is because we want the best people for our roles, and we recognise that sometimes those people aren't available full-time.

The opportunity:

We are looking for experienced claims assessors to join us, helping customers when they need us most, by professionally assessing their claims and reaching decisions as quickly as possible.

About you:

At Zurich, claims handling is a fundamental part of our business; it is the true measure of our purpose, supporting our customers when they need us.

If you're as passionate about delivering an outstanding service to our customers as we are and want to develop a long term career then we want to hear from you.

The ideal candidate will be able to:

- Assess, analyse and manage claims received to a high standard.
- Always demonstrate outstanding customer handling skills
- Demonstrate a positive, proactive can-do attitude
- Act with integrity at all times
- Provide accurate technical claims support and guidance to customers, advisers, colleagues and reassurers as appropriate
- Support our culture of continuous improvement – identifying and suggesting areas for improvement.
- Support the development of fellow team members

Your skills and experience:

- Experience in dealing with some or all of the following claim types,
 - Life
 - Critical Illness
 - Income Protection
 - Fracture
- Strong customer service skills
- Ability to work in a team but also self-driven
- Excellent verbal and written communication skills

The reward:

As well as a competitive salary we also offer an excellent lifestyle benefits package which includes:

- 12% Non-Contributory pension scheme
- Annual company bonuses
- 25 days holiday plus up to an additional 3 days paid volunteering
- Private medical cover
- Income Protection
- Life Cover
- Discounted gym membership,
- Discounted gadget insurance
- Discounted technology offers
- Virtual GP appointments
- Plus much more!

At Zurich we will consider requests for flexible working on hiring. Many of our employees work flexibly in many different ways, including part-time, flexible hours, job share, an element of working from home or compressed hours. Please talk to us at interview about the flexibility you may need.

Who we are:

With about 55,000 employees serving customers in more than 170 countries we aspire to become the best global insurer as measured by our shareholders, customers and employees. If you're interested in working in a dynamic and challenging environment for a company that recognises and rewards your creativity, initiatives and contributions - then Zurich could be just the place for you. The success of our business is built on the contributions of our highly talented employees - people who work every day to position us at the forefront of the insurance industry. We therefore look to hire great people and we encourage those people to give their best.

You'll feel the support of being part of a strong and stable company. A long-standing player in the insurance industry, we make every effort to address the career development needs and plans of our employees to ensure their success in the future.

Further information:

At Zurich we are proud of our culture. We are passionate about Diversity and Inclusion. We want you to bring your whole self to work we have a diverse mix of customers and we want our employee base to reflect that.

Our diversity and inclusion initiatives are creating an environment where everyone feels welcome regardless of protected characteristics.

With the above in mind we accept applications from everyone regardless of your background, beliefs or culture however we especially welcome applications from women, people from ethnic minorities, people with a disability and people who are LGBT+ as these groups are currently under-represented in our organisation.

We are committed to continuous improvement and we offer access to a comprehensive range of training and development opportunities. Zurich is passionate about supporting employees to help others by getting involved in volunteering, charitable and community activity through the Zurich Community Trust.
