ReAssure, part of Phoenix Group are recruiting Health Claims Assessors and Senior Assessors to join our team within the Customer Services Support function. The position will preferably be based in Telford on a permanent basis but home working will be an option, with Telford as a base office, if the Applicant has the required skills and experience. Vacancies represent an opportunity to join an ambitious organisation, within an ever-changing environment where you will discover the potential to perform and grow.

This is an excellent opportunity for a clear career path where there is development within the role, enabling progression through the relevant claims types and levels across all claims handled by the Health Claims area.

You will be responsible for:

Delivering an outstanding service for our customers during one of the most difficult times in their lives. You will be responsible for managing your own health claims portfolio consisting of life, critical illness, income protection & pension claims and for a senior role dealing with escalations, appeals, staff coaching and mentoring

You will have:

A proven experience in health claims assessment, preferably with a recognised claims authority and across the range of protection types would be desirable or experience in claims underwriting. You will also be expected to have the ability to manage the customers' expectations through the claims process, including telephone based customer contact with a need to be proactive, working to tight deadlines and possess excellent decision making skills.

Working towards or holding the CII claims diploma is desirable for this position.

Key responsibilities will include:

- Ability to build relationships with appropriate relevant parties
- Excellent listening skills
- Excellent call handling & interpersonal skills/influencing and negotiating skills
- Good literacy skills
- Ability to see the bigger picture
- Analytically minded
- Ability to remain composed and focus on the customer when under pressure
- Customer Empathy
