

Swiss Re people are all the same:
they're all different.

Claims Manager, Value Proposition

Please note:

We are open to this position being based in a number of locations globally.

- Working with the Head of L&H Claims, Global Service & Delivery, define the holistic value proposition for L&H Claims in the short, medium and long term
- Facilitate delivery of the value propositions by leading a small team of Claims Experts and working with the regional claims teams
- Ensure that all components of the value proposition are integrated and where possible aligned to the deliverables of other Swiss Re teams
- Work with the Claims Expert, Knowledge and Innovation to develop and facilitate delivery of the L&H Claims internal quality assurance and continuous improvement framework
- Facilitate global knowledge sharing across L&H Claims

The opportunity

-Management of a small team of Claims Experts to deliver the L&H Claims value proposition. This will include, but is not limited to:

Audit Framework

Training Framework

Claims Guide

- Client Communications including; seminars, presentations, newsletters, portals & community pages
- Development of the internal quality assurance framework, which enables the L&H Claims team to operate as a high performing team, enables on-going professional development and continuous improvement. Where possible, this should be aligned to the external value proposition, specifically with regard to training and auditing
- Proactively engage with stakeholders across Swiss Re, including within L&H Underwriting and CALM, to facilitate alignment of deliverables and utilize available resources
- Oversight of Regional Engagement, Expert Networks and Task Forces

About you

- Significant technical claims expertise, demonstrated through 10 plus years' experience in a claims assessment and/or management role
- Demonstrated ability to deliver on plans and foster high performance team environments
- Recognised leadership qualities and abilities, including leading virtual teams and/or project
