

POSITION PROFILE: Claims Assessor – AIG Life

Job Highlights

Are you a Claims Assessor who prides themselves on being innovative in your approach, customer focused and determined to make a positive difference to our policyholders when they need when they need it most?

If so, join our team of experienced Claims professionals delivering a thorough, efficient and customer-friendly Claims service.

What we expect from you

- You will have extensive experience in assessing claims and making fair and balanced decisions within ABI guidelines and a claims philosophy. This would be across a full product range - Life, Critical Illness, Income Protection, TPD, Business Protection and Waiver of Premium
- You will communicate effectively with clients, doctors, distributors, reassurers and FOS as necessary, by telephone or in writing
- You will deliver consistently excellent customer service ensuring TCF principles are maintained
- You will contribute ideas for the continuous improvement of the Claims process within AIG Life to ensure that we remain innovative and forward thinking – constantly challenging the status quo.
- You will be a well-developed and effective communicator both verbally and in writing, exhibiting good questioning and listening skills.
- You will foster good working relationships, listen and respect the contribution of others
- You will demonstrate a can-do attitude and flexibility within the team
- You will pro-actively manage your workload and prioritise tasks to ensure service standards are met
- You will guide and support others as a claims expert

What you can expect from us

- Excellent basic salary, with annual performance related bonus.
- 9% non Contributory company pension matched by up to a further 4% if you contribute too.
- 10 x salary Death in Service benefit and income protection.
- Private medical & health assessments.
- 25 days holiday
- Friendly, collaborative, and positive atmosphere.
- Smart casual dress code
- Homeworking
