

Claims Assessor - Critical Illness, Death and Permanent Total Disability claims

DILIGENTA is a UK based, Financial Services Authority (FSA) regulated subsidiary of Tata Consultancy Services (TCS) – the world's leading IT consulting, services and business process outsourcing (BPO) organisation.

We aim to transform, manage and support our Life & Pensions clients' operations to deliver outstanding customer service, provide cost certainty, and minimise exposure to operational risk. We combine our in depth knowledge of UK life assurance with TCS's proven IT and delivery capability to deliver certainty for clients in a competitive market place.

At Diligenta we firmly believe that without our people, our business cannot change, develop and grow. Therefore, we provide an environment where we can all find support, success and opportunities for personal and professional growth.

This role can be based in either of our Bristol, Salisbury or Exeter offices.

THE ROLE

As an experienced Claims Assessor, you will be required to effectively assess Critical Illness, Death and Permanent Total Disability claims within the standards and protocols agreed with our Client.

PRINCIPLE ACCOUNTABILITIES:

- Use personal admittance authority to make admittance/decline decisions on CI, Death and PTD claims in accordance with our Clients philosophy and standards and communicate those decisions to the claimant, liaising with reassurers as appropriate.
- Provide technical claims advice to Critical Illness and Death Claims Administration teams.
- Investigate all claims, requesting and using appropriate medical and other evidence to assess the claim proactively within the agreed service standards.
- Check, monitor and where appropriate, authorise admission of claims to ensure accuracy.
- In conjunction with the Team Manager, take responsibility for coaching and mentoring administration people and less experienced assessors to enable them to develop their technical knowledge.
- Assist our Client with reviews of Claims processes and protocols when required.

SUCCESSFUL CANDIDATE IS LIKELY TO DEMONSTRATE:

- Proven experience in Life, Critical Illness and PTD claims assessment.
- Excellent communication skills, both written and verbal.
- Attention to detail
- Customer and Client focus
- Strong Team Working skills
- Able to plan and organise workload effectively
- Ability to use own experience to develop others.

Closing date for applications is **Monday 10th November**.
