

About Us

This is an exciting opportunity for an experienced **Income Protection (IP) Assessor** to join a growing company that has ambitious plans for the future.

Exeter Family Friendly is based in a convenient location on the east side Exeter, and has been providing award-winning health and income protection insurances for over 100 years.

We pride ourselves on making insurance simple and transparent. We combine excellent insurance product design with an independently assessed 5 star service at every touch point, always aiming to ensure we deliver on the promises we make.

We value every member of our team and seek to maximise the potential that everyone brings with them.

Due to continuing expansion we are looking for an experienced **IP Claims Assessor** to join our busy team.

This is a full-time role working 35 hours per week, Monday to Friday, 7 hours per day, with a 1 hour lunch break worked between 8.30am – 5.30pm on a shift rota basis.

Our benefits include 24 days holiday plus bank holidays per annum, a generous Company Pension scheme, free Private Medical Insurance, IP Cover & Death in Service benefit and a Company Bonus scheme.

The successful candidate will work in a small team assessing and authorising IP claims in an accurate and timely manner in accordance with policy terms and conditions, claims procedures and philosophy. Previous experience in processing IP claims including financial/medical assessment criteria and conflict handling is required.

Excellent customer service and communication skills are essential for this role, both verbally and written. The successful candidate will need to demonstrate that they are a strong team player who is able to think proactively whilst also having the ability to plan and organise their own work load.

In addition, strong analytical and decision-making skills are required together with proficient IT skills including Microsoft Office.

The salary will be based on your relevant knowledge and experience as an IP Claims Assessor, and is open to negotiation.
