Extraordinary General Meeting Minutes
Thursday 27 February 2014 at 10.05am**

1. Attendees

Dave Thompson (Scottish Widows), Debbie Yardella (L&G), Diane Taylor (HCL), Jennifer Hillis (Cirencester Friendly), Kieran Stratton (Ellipse), Mike Skinner (Canada Life [Group]), Sarah Fielding (Swiss Re), Sarah Gilbey (Unum), Sean Grainger (SCOR), Sean Green (Nordben), Simon Grant (RGA), Simon Havinden (Munich Re) and Tim Bowns (Hannover Life Re)

2. Chairman's statement

Simon Grant (Chairman) gave an overview of the key constitutional changes that were proposed and outlined on the agenda. It was noted that items 2 (annual fee) and item 3 (meeting fees) would be considered together as one item as the change to item 2 was conditional on item 3 being agreed.

3. Annual membership fee and meeting fees

It was proposed that the annual fees currently paid by members be they either full or associate members be scrapped from the financial year 2013/2014. In addition the delegate meeting fee be raised from £100 to £125 per delegate. It was felt that this change would better spread the costs of the forum days (which currently run at a loss) towards those offices who attended the forum days. Proposer Sarah Fielding, seconded by Sarah Gilbey – passed unanimously by those present.

4. Cancellation policy

It was proposed that where a delegate was unable to attend a forum day having booked on and paid fee that they would be able to cancel their place with a full refund / credit against future forum day providing that notice was given to the Secretary at least 7 days prior to the forum day. This was to reflect that after this time the venue would have been notified of numbers and the cost incurred. However a delegate could be substituted up to the day before. Proposer Debbie Yardella, seconded by Tim Bowns – passed unanimously by those present.

5. Full / Associate membership rules

It was proposed that the criterion for full membership be altered to reflect the current makeup of the attendees and that this should reflect offices within UK and Ireland and also include life assurance. E-membership as a distinct category to be removed as the annual fee withdrawn and overseas offices could access the site as associate members. The criterion for associate membership also to be extended to include providers of vocational rehabilitation and the Ombudsman service and the limit on numbers of associate members attending any one forum day to be removed. Proposer Sean Grainger, seconded by Sarah Gilbey – passed unanimously by those present.

6. Committee membership

It was proposed that the makeup of the committee be amended to allow more than one committee member from the same company at the discretion of the committee. Also to clearly state the commitment that is expected from committee members or prospective committee members. Proposer Debbie Yardella, seconded by Dave Thompson – passed unanimously by those present.

7. Other business

It was proposed that the fees charged for hosting job adverts be raised to £300 and that a one off fee of £250 be raised for any associate member wishing to advertise their service on the website. The constitution to reflect that any further changes to fees to be approved at Annual General Meeting. Proposer Sarah Gilbey, seconded by Sean Grainger – passed unanimously by those present.
