4. Chairman's Statement

Sean Grainger (Chairman [SCOR]) thanked the committee for their support and hard work during 2012/2013.

The 2012/2013 season saw a broad and varied mix of topics covered at the forum days covering a range of product lines. The topics were:

Oct 2012 – Mental Health – coincided with world mental health day. This was a highly interactive session looking at mental health in workplace and how insurers can interact with employers and claimants to help achieve successful outcomes for all concerned.

Nov 2012 – The Customer Journey. A multidisciplinary day which looked at how a number of key areas within insurance co's (sales, underwriting and claims) interact with customers.

Feb 2013 – What Becomes of the Broken Hearted. An ABI training day that looked at significant developments in cardiac clinical practice and the diagnosis of heart attack and the work of the ABI working group.

May 2013 – Dead Serious. This session looked at the management of overseas death claims and covered evidential issues, repatriation and victim identification following a natural disaster. The afternoon looked at the assessment of Terminal Illness claims.

In addition to the successful forum days the HCF celebrated its 30th Anniversary at the Honourable Artillery Company which saw over 100 past and present HCF members, including a number of the past Chairs and Committee; maintained an active presence on the ABI's working groups; trialled a members newsletter and has also agreed to sponsor an award to all members who successfully complete the new Claims Diploma. Attendees at forum days can also now claim 4 hours CPD under the new CII CPD awards structure.

The HCF is taking the lead for LUCID 2013 and thanks to Sarah Fielding (Swiss Re) and Stuart Lewis (Met Life) for their efforts in helping to bring together the joint clubs breakout session.

Simon Grant (RGA) proposed a vote of thanks to Sean for his hard work during his time as Chairman.

5. Treasurer's Report

Stuart Lewis (Treasurer [MetLife]) presented the accounts for 2012/2013.

The Forum opened with a balance of £19,536.43 and closed with a balance of £9,329.65. The closing balance was qualified by noting that this is lower than the true figure as fees were outstanding from previous forum days and that these were actively being chased and that we had payments totalling £4300 for the HCF 30TH event – which is a one off cost.

Overall the accounts reflect a loss of £10,206.78 for the year and while there are some fees outstanding to offset this it is apparent that our expenses for running forum days are greater than the income received. The Treasurer will be recommending to Committee that the fees for future forums may need to be reviewed.

A general plea was made to members to ask that they ensure that payments have been made for forum days and not to trust that this will have been done by their accounts departments and also if they need invoices in a different name that they consider whether the company name they are registered under should be changed to reflect the billing name.

Acceptance of the accounts was proposed by Sean Grainger (Scor) and seconded by Jackie Kerwood (Friends Life).

6. Constitution

No changes were proposed.

7. Election of new officers/committee

There were no changes to the committee membership during the last 12 months.
