

Assistant Claims Manager

Competitive + excellent benefits
Kingston upon Thames - Surrey

Are you ambitious with drive and vision? Are you a problem solver, someone who makes value judgements and who's not afraid to take the initiative? Are you a future business leader with proven claims industry experience? If so, then we should be talking.

Combined Insurance is committed to providing our customers with the right protection products for their needs and has helped millions of customers to plan and protect their futures and the futures of their families from the unexpected. Over the years, Combined Insurance has paid our customers more than £5.3 billion in benefits when they need it most. Founded in 1922 and a member of the ACE Group of Companies, Combined Insurance provides accident insurance, health insurance and life insurance to 3.5 million policyholders worldwide.

As a Assistant Claims Manager, you'll be a key decision maker at our growing and changing company. You'll join our Claims Management Team where you'll develop and apply our customer care philosophy. It means having excellent claims management knowledge; contributing to strategy; managing high-performing teams; and building strong relationships with our customers.

As an experienced claims professional, you may have worked in Life, Disability, Critical Illness or other areas of personal injury. Either

way, you understand the Accident and Health insurance industry and its products. You are already leading a successful team and can demonstrate how you have inspired them to succeed, using your people management and development skills. You can demonstrate your abilities in customer service and quality assurance and have a sound knowledge of the regulatory obligations of the insurance industry. You will have or be working towards an ACII Claims Diploma and if you have any Irish MCR accreditations we would be very interested in these too.

In return, we offer an excellent benefits package that includes a contributory pension; permanent health insurance, life cover; subsidised private medical insurance and a performance-based incentive scheme.

But most of all we offer you the opportunity to join our organisation at an exciting time of growth and change. Join us on our journey, who knows where it may take you?

To apply, please visit send your CV to recruitment.uk@uk.combined.com quoting Assistant Claims Manager in the reference line.
