

RGA Reinsurance UK Limited

JOB DESCRIPTION

Title: UK Claims Manager

Reports to: UK Head of Underwriting and Claims

More than anything, RGA employees love their jobs because it's challenging work. We believe smart people work smarter when they're empowered. When they use logic, balanced with creativity and curiosity. At the forefront of RGA's culture is collaboration – a must to be successful within our organization. These are just a few of the attributes we are looking for in a Claims Manager to join our team.

Purpose

RGA UK seeks a dynamic and driven individual to manage our market leading claims team covering the UK and Irish markets. You will be responsible for all aspects of RGA's claims management, identifying trends that may affect RGA's claims experience, and helping clients to achieve their goals in respect of claims assessment and reinsurance matters. By representing RGA on industry bodies and presenting at industry events, you will be a key player in building RGA's corporate profile in UK and Ireland.

Key Responsibilities:

- To ensure RGA provides a market leading turnaround on claims assessed including
 - Supervision of any claims assessor(s)
 - Authorisation and assessment of claims and
 - Ownership of claims assessment on a day-to-day basis as required to achieve this.
- To develop UK and Irish market awareness of RGA, its business, its products and philosophy. This is to be achieved using every communication medium appropriate and in particular new technology.
- To ensure the pricing and underwriting teams fully understand the effect of a client's claims practices and philosophies on risk assessment and pricing.
- To develop strong links and a partnership approach with other RGA offices and utilise the international network of resources.
- To build links with the key individuals in client, or potential client, companies in the claims, & underwriting functions.
- To oversee the on-going development of RGA UK's claims philosophy.
- To develop a thorough understanding of each client and its mode of operations e.g. plans, requirements, personnel, type of market, strategy and future vision.
- To develop good personal and business relationships with the Claims Managers and Chief Underwriters of all target life insurance companies in the UK and Ireland.
- To lead the development of claims assessment standards, procedures and controls.
- To oversee and participate in the annual client claims audit programme
- To ensure the claims department is able to analyse trends and provide relevant reports and statistics to management.

Key Requirements:

- Excellent technical, product and individual life claims experience.
- Either holds Diploma Life and Disability Claims or willing to work towards achieving it.
- Experience of managing a team
- Excellent interpersonal skills and the ability to interact with clients and employees at all levels.
- Superior oral and written communication and presentation skills.
- Self-starter with distinct attention to detail and flexibility to handle diverse tasks in a fast paced environment.
- Ability to multi-task and get the job done.
- Strong analytical and organizational skills, deadline oriented.
- Team player.
- Ability to travel throughout UK & Ireland.
