

Client Service and Delivery Consultant L&H Claims (80-100%)

About Swiss Re

Swiss Re is one of the world's leading providers of reinsurance, insurance and other forms of insurance-based risk transfer, working to make the world more resilient. We anticipate and manage a wide variety of risks, from natural catastrophes and climate change to cybercrime.

At Swiss Re we combine experience with creative thinking and cutting-edge expertise to create new opportunities and solutions for our clients. This is possible thanks to the collaboration of more than 13,000 employees across the world.

We offer a flexible working environment where curious and adaptable people thrive. Are you interested in joining us?

About the Team

The Global Life and Health Claims Team, within Client Service Delivery (CSD) Division, develops and delivers client-centric, global Claims Services & Solutions to our regional L&H Claims Teams and our Client partners.

Our team members are based in numerous locations around the world, making it a truly international team. The team's remit is also diverse spanning a number of areas including Claims Quality and Assurance, Training and Development (internally and externally), Thought Leadership, Claims Experience Improvement, use of Technology and Innovation, Data Analytics, and Monitoring and Reporting.

The team is also responsible for bringing the global Swiss Re L&H Claims Community together through networks, events and regular communications.

About the Role

We are seeking a highly motivated person to join our Global Life and Health Claims Team. As a member of the team you will be involved in a broad range of work, however your main focus will be on creating and delivering of innovative Claims Solutions which incorporate use of technology under the Life and Health Claims SMART Claims program. As we develop our modular offering under the SMART Claims program we require a person with a strong interest in technology & innovation whom can assist with the design and writing of claims business rules for our solution development

About You

- Successfully completed university degree in Business, or related field
- Five or more years working within Life & Health Claims with a comprehensive understanding of the claims management process
- A willingness to embrace performance culture and an agile way of working
- Capacity to readily adapt to a changing and dynamic environment
- Approaches problems with curiosity and open-mindedness
- Team-player, willingness to contribute actively to the overall team spirit
- Ability and enthusiasm to work in a global and multicultural environment
- Aptitude to express yourself effectively in one-on-one conversations and small groups
- Able to work with clients, business partners or senior colleagues and facilitate workshops and as needed
- Strong analytical skills and can focus on details without losing track of the bigger picture
- Excellent oral and written English skills; additional language skills advantageous, in particular
- Very good communication and interpersonal skills

Sounds like you? Then we are looking forward to your application!

We are an equal opportunity employer and value diversity at our company. We do not discriminate on the basis of race, religion, colour, national origin, gender, including gender identity or expression, sexual orientation, age, marital status, veteran status, or disability status.

Swiss Re offers modern work models and attractive work places that allow all employees to adapt to changing work preferences and life phases.
