

Income Protection Claims Case Manager: (P/T, job-share or F/T)

Location: Swindon

The opportunity:

Looking for an exciting career? An opportunity has arisen for an Income Protection Claims Case Manager in Zurich Corporate Risk. In essence the role will provide expert claims assessment and management to our portfolio of Group Income Protection Claims. You will be required to build trust based relationships using the telephone with a portfolio of customers and be required to manage your own caseload of claims within turnaround standards. You will carry out assessments for rehabilitation and claim payments as well as proactive reviews of claims in payment.

This role is available part-time, job-share or full time. This is because we want the best people for our roles, and we recognise that sometimes those people aren't available full-time.

Key responsibilities:

- Take ownership for own caseload of claims and ensure delivery of our claims proposition
- Manage caseload of claims within turnaround standards and to required quality standards
- Provide robust and sensitive technical claims management, including information gathering over the telephone with all parties, request and assessment of claims evidence, decision making and reviews
- Face to face visits with customers and support sales team as required
- Complaint handling responsibilities.

Your skills and experience:

- A-Level (or equivalent qualification), CII Claims qualifications and a minimum a 3 years claims management experience (preferable)
- Excellent knowledge about Zurich Corporate Risk and in depth knowledge of the group risk market and its' processes and services.
- Experience of assessment of Income Protection Claims and management of larger clients
- Passionate about customers and driving through Continuous Improvement
- Ability to cope with varying workloads, pressures and priorities
- Excellent verbal and written communication skills with the ability to quickly establish professional and effective working relationships with your customers.
- Able to communicate effectively and sensitively with vulnerable customers, which may also necessitate some difficult conversations
- Excellent judgement and decision making skills
- Contribute to a positive and supportive team culture
- Excellent attention to detail, with strong focus on quality and root cause analysis.

The reward:

As well as a competitive salary, we offer an excellent lifestyle benefits package which includes –

- 12% pension
- 25 days holiday plus an additional 3 volunteering days
- Discounted gadget insurance
- Annual company bonuses
- Discounted technology offers
- Virtual GP appointments
- Free flu jab
- Discounted gym membership,

At Zurich we will consider requests for flexible working on hiring. Many of our employees work flexibly in many different ways, including part-time, flexible hours, job share, an element of working from home or compressed hours. Please talk to us at interview about the flexibility you may need.

Who we are:

With about 55,000 employees serving customers in more than 170 countries we aspire to become the best global insurer as measured by our shareholders, customers and employees. If you're interested in working in a dynamic and challenging environment for a company that recognises and rewards your creativity, initiatives and contributions - then Zurich could be just the place for you. The success of our business is built on the contributions of our highly talented employees - people who work every day to position us at the forefront of the insurance industry. We therefore look to hire great people and we encourage those people to give their best.

You'll feel the support of being part of a strong and stable company. A long-standing player in the insurance industry, we make every effort to address the career development needs and plans of our employees to ensure their success in the future.

Further information:

At Zurich, we aim to have a diverse mix of employees that reflects our customers and the communities in which we live and work. Zurich is a workplace that values different opinions, respects personal needs, and provides equal opportunities for all, regardless of age, sex, race, religion or belief, disability, marriage/civil partnership, gender reassignment, pregnancy/maternity status and sexual orientation. Our approach ensures that Zurich is a place that values different opinions, respects personal needs, and provides equal opportunities for all. We are committed to continuous improvement and we offer access to a comprehensive range of training and development opportunities. Zurich is passionate about supporting employees to help others by getting involved in volunteering, charitable and community activity through the Zurich Community Trust.
