

SENIOR CLAIMS SPECIALIST

Based in London (Fenchurch Street) – Competitive Salary and Excellent Benefits

Munich Re started its Life operations in the UK and Ireland in 1977 and has grown to become a leading player in the UK and Irish life reinsurance markets.

We are currently seeking to recruit an experienced Senior Claims Specialist to join our Claims team at our office in Fenchurch Street, London. The successful applicant will be principally involved in the assessment and management of Life, Critical Illness and Income Protection Claims. Appropriate client focus will also be a central part of this role.

Key Responsibilities:

- Assessing complex claims across all main lines of business
- Interacting with clients; assisting in the development of the overall business relationship, including managing clients' expectations
- Developing and carrying out the Claims department's business plans
- Carrying out audits and training to enable clients to handle claims efficiently on our behalf

Other Responsibilities and Tasks:

- Assisting in the development of Munich Re's web based Claims Guides
- Attend industry meetings as required
- Participating in Munich Re seminars and presentations when required
- Developing internal and client claims processes

Key Skills and Experience:

- Demonstrable experience in the following areas: Life, Critical Illness and Income Protection claims
- Excellent written and verbal communication skills
- Strong negotiation and influencing skills
- Good all-round technical knowledge – including impact of pricing/underwriting on claims

Competitive salary and benefits include company bonus, 25 days holiday (plus bank holidays), non-contributory pension and excellent flexible benefits package.

If you would like to apply for this role with Munich Re UK & Ireland Life and have the required skills that we are looking for, please send your CV to Hayley Charles, HR Officer: hcharles@munichre.com.
