

Make Life Matter

JOB DESCRIPTION

POSITION TITLE: Senior Claims Assessor

METLIFE:

“At MetLife, we’re leading the global transformation of an industry we’ve long defined. United in purpose, diverse in perspective, we’re dedicated to making a difference in the lives of our customers.”

MetLife, through its subsidiaries and affiliates, is a global provider of life insurance, annuities, employee benefits and asset management with operations in nearly 50 countries and leading market positions in the United States, Japan, Latin America, Asia, Europe and the Middle East. With a proven track record of financial strength and delivering on promises since 1868, the company prides itself on helping people plan for their future by protecting what matters most – their families and their achievements.

With 2014 total operating income of ~\$70 billion, MetLife is ranked #42 on the Fortune 500 list and #69 on the Forbes Global 2000 list of the world’s largest public companies. Globally, the company has ~65,000 employees serving approximately 100 million customers, individuals, and businesses, including 90 of the FORTUNE 100. MetLife is also one of the largest institutional investors in the US with more than \$450 billion in managed assets. FORTUNE Magazine’s World’s Most Admired Company survey recently named MetLife #1 in the Life and Health Insurance industry.

MetLife is an ambitious company with the scale, scope and talent to lead the transformation of the insurance and employee benefits industry, driving world class standards of performance around the globe. Launched in 2012 by MetLife Chairman and CEO, Steven Kandarian, the company’s enterprise strategy is based on four cornerstones: *Refocus the U.S. Business, Grow Emerging Markets, Build a Global Employee Benefits Business and Drive Towards Customer Centricity and a Global Brand*. Concrete actions are well underway in each of these strategic focus areas, including moving to a horizontally-integrated global operating model to help drive greater leverage of technology and operations and the more consistent application of functional priorities across global markets.

As One MetLife, the company has defined common values shared across the enterprise: *Put Customers First, Be the Best, Make Things Easier, and Succeed Together*. These values guide how employees operate every day and are reflected in the company’s commitment to creating a world-class organization which places a high value on motivational leadership, engaged talent, and customer focus. LOB/ Global Function

The role is for our Employee Benefits and Individual Protection Divisions within our Operations function of the UK business. Our Employee Benefits and Individual Protection business lines are supported by a 100 strong operations team in Brighton, whilst our Wealth Management business line is supported by an outsourced operation in Belfast, Ireland through a third party.

DEPARTMENT: Claims, UK Brighton Operations

LOCATION: Brighton, UK

THE ROLE: To contribute to the proactive management of claims administered by MetLife, providing reassurance to customers through service excellence and accuracy of work, whilst developing and maintaining strong relationships with internal and external customers.

Key Relationships:

Reports to: Claims Manager

Direct Reports: 0

Other Key Stakeholders:

Our key stakeholders are all internal parties such as Sales, Compliance, and Customer Service teams. The key focus is our Employee Benefit business line, with support to Individual Protection as needed.

Key Responsibilities:

- Responsible for the timely and accurate assessment, decision making, settlement and communication of Employee Benefits and Individual Protection claims from beginning to end within agreed authority and service levels. These claims will be from our accident, life, income protection, and critical illness insurance products.
- Provide exceptional levels of customers service to policyholders, clients and intermediaries in a professional and friendly manner.
- Manage the claims relationship for all customers within agreed portfolio.
- Ensuring all aspects of the claims function, including complaints are dealt with in accordance with all compliance, FCA, TCF and legal requirements.
- Identifying and investigating potential non-disclosure claims.
- Identifying and investigating potential fraudulent claims.
- Liaising with the Chief Medical Officer, underwriters and external service providers to ensure all appropriate information is obtained to assist in the assessment and ongoing management of claims.
- Maintaining a good working relationship with Reinsurers in order to maximise recovery from reinsurance contracts.
- Participation on claims project and change work as and when required.

CANDIDATE QUALIFICATIONS:

Business Knowledge/Technical Skills:

- You must have considerable experience and exposure in handling Employee Benefits and Individual Protection claims. A minimum 2-3 years' experience on Group Income Protection is essential for this role, other experience can be on Individual Income protection, critical illness, accident & health claims is advantageous.
- Experience can be solely from a Direct Insurer or from a combination of Direct Insurer and Reinsurer.
- Confidence in communicating claim decisions via the telephone and in writing.
- You will have experience in managing Income Protection claims where return to work support is provided, and be able to identify what resources are needed to get the best outcome.
- You will be able to demonstrate technical ability with claim assessment and decision making.

- Knowledge of Medical or Scheme Underwriting would be beneficial.
- You should have a willingness to study towards professional qualifications which MetLife will sponsor.
- You need to have experience quality checking and decision approval on the work of others.

Leadership Competencies:

- **Creates Partnerships** - Authentically builds trusted relationships and collaborates across both internal MetLife teams and external customers to successfully drive business objectives.
- **Seizes Opportunity** - Seeks new opportunities and ways to create balanced business growth while improving operational capabilities.
- **Models our Values** - Creates a culture that promotes the company's values and standards through role modeling, accountability and ownership of decisions and behaviours.
- **Focuses on Customers** - Promotes customer centricity and ensures focus on creating great customer experiences for all claimants, policyholders and Intermediaries.
- **Drives Results** - Sets own goals and is accountable for continuously driving improved performance whilst ensuring high standards of quality in claim assessment.

Business Competencies:

Company and market knowledge

- Anticipates how the business may be affected by external changes
- Demonstrate an understanding of how to manage business ethics
- Deliver against Key Performance Indicators and Service Level Agreements relevant to achieving business objectives
- Ability to understand importance of strategic customer relationships towards achieving business goals and supports these appropriately

Understanding the customer

- Challenges existing processes and procedures to improve the customer experience
- Develops and enhances customer relationships at all levels with external customers
- Understands the customer service standards and culture of the company
- Analyses and evaluates patterns in customer feedback to identify where customer service and loyalty can be improved

MetLife is proud to be an equal opportunity employer. We are committed to attracting, retaining and maximizing the performance of a diverse and inclusive workforce. It is the policy of MetLife to ensure equal employment opportunity without discrimination on any basis protected by law.
