

The security of experience. The power of innovation.

JOB DESCRIPTION

Job Title:	UK Claims Manager
Reports to:	UK Head of Underwriting and Claims (UK and Ireland)
Department:	Claims – Claims Management
Location:	London

Company Overview

Reinsurance Group of America, Incorporated is one of the largest global life and health reinsurance companies in the world. With operations in 26 countries, we are the only global reinsurance company to focus primarily on life and health related reinsurance solutions.

Our core products and services include life reinsurance, living benefits reinsurance, group reinsurance, health reinsurance, financial solutions, facultative underwriting, and product development.

We are proud to have been ranked #97 among 500 companies in the Forbes 2018 Global 2000: World's Best Employers listing.

Position Overview

Purpose

- To ensure that RGA pay valid claims in a timely and professional manner whilst also accurately identifying and managing claims that should be repudiated.
- To identify trends relating to underwriting practice, sales practice, product design, medical or legal developments that may affect RGA's claims experience.
- To build RGA's corporate profile in the UK and Ireland.
- To help clients achieve their goals in respect of claims assessment and reinsurance matters.
- To ensure RGA's philosophy in reinsurance and claims assessment is understood in the market.
- To ensure clients fulfil claims assessment and management requirements for business within their Claims Approval Limit.
- To represent RGA on industry bodies and at industry events.

Scope

- The UK and Irish life insurance market. (Where specific knowledge may be utilised in other RGA entities or affiliates outside of the UK and Ireland to assist as resource permits.)

Responsibilities

To ensure RGA provides a market leading turnaround on claims assessed including:

- i. Supervision of any claims assessor (s)
- ii. Authorisation and assessment of claims and
- iii. Ownership of claims assessment on a day-to-day basis as required to achieve this.

- To develop UK and Irish market awareness of RGA, its business, its products and philosophy. This is to be achieved using every communication medium appropriate and in particular new technology.
- To ensure the pricing and underwriting teams fully understand the effect of a client's claims practices and philosophies on risk assessment and pricing.
- To develop strong links and a partnership approach with other RGA offices and utilise the international network of resources.
- To oversee the on-going development of RGA UK's claims philosophy.
- To develop a thorough understanding of each client and its mode of operations e.g. plans, requirements, personnel, type of market, strategy and future vision.
- To develop good personal and business relationships with the Claims Managers and where appropriate Chief Underwriters of all target life insurance companies in the UK and Ireland.
- To lead the development of claims assessment standards, procedures and controls.
- To oversee and participate in the annual client claims audit programme
- To ensure the claims department is able to analysis trends and provide relevant reports and statistics to management.

Specific Responsibilities

1.0 Claims Assessment
