

**SENIOR CLAIMS CONSULTANT - EUROPE, MIDDLE EAST & AFRICA
COMPETITIVE SALARY & BENEFITS PACKAGE**

Department: GLOBAL CLAIMS TEAM

Location: London

We are looking for an experienced senior claims consultant based in our London office to support offices in our Europe, Middle East and Africa (EMEA) region. A strong knowledge of life and living benefit claims is required. Although based in London, some limited travel in the region will be expected.

The purpose of this role is to assist local offices in the region with specialist claims support, including claims assessment, client quality assurance reviews, training and seminars and other claims support as needed. The position reports to the EMEA Regional Claims Manager based in London and will be part of the Global Claims Team.

KEY RESPONSIBILITIES:

- Providing a timely and quality response to claim referrals from clients
- To undertake client quality assurance visits where appropriate
- To work with local office management to ensure claims issues are identified and resolved
- Ensure appropriate reporting at a local and regional level
- To assist the EMEA Regional Claims Manager with training and seminar support
- Assist with governance of the claims function in line with company expectations

Required: The following characteristics are essential:

- Extensive claims experience in a claims assessment role
- Excellent interpersonal skills, tact and good judgment and the ability to interact with clients and employees at all levels
- European language skills an advantage
- Superior communication and presentation skills.
- Confident IT skills
- Self-starter with distinct attention to detail and flexibility to handle diverse tasks in a fast paced environment.
- Team player with an ability to multi-task and get the job done.
- Strong analytical and organizational skills, deadline oriented.
