

Senior Claims Assessor

Hybrid – Based in Basingstoke or Dorking 2.5 days per week (or 10 days a month)

We are Unum – one of the UK's leading employee benefits providers.

We've been around for 50 years, currently protecting over 1.7 million people, providing security and peace of mind to individuals and their families.

Our Claims Division at Unum are currently building their teams and are looking for Senior Claims Assessors in Basingstoke or Dorking. We will need you to be in the office around 2.5 days a week (or 10 days a month) with the flexibility to work from home for the remainder of the time.

As a Senior Claims Assessor, you'll be responsible for the proactive management of either group income protection, life and critical illness claims. You'll investigate claims through medical and policy information, reach a decision as to initial and continued liability. You'll communicate claims decisions clearly and assist claimants in returning to their normality, providing the financial security and customer support to enable our customers to focus on recovery, whilst developing and maintaining strong relationships within and outside the company.

You will have a proven background in Income protection, life of critical illness assessment. Strong technical skills with analytical thinking. You'll have an investigatory mindset, where you can look at patterns and spot inconsistencies, and make autonomous decisions under pressure.

You'll be great on the telephone, with an ability to form compelling written reports and be confident to present your findings. You'll be a team player who can deal with conflict and develop effective relationships with key stakeholders.

As part of our interview process we will be using one-way video interview technology and virtual assessment centres.

We are passionate about our employee health and wellbeing and providing work-life balance that suits you.

Our benefits include a discretionary bonus, 24/7 health support services (including a remote GP), income protection, health cash plan, 27 days annual leave, opportunity to participate in charitable events and more.

However you see your future career, we'll support and challenge you to be your best with a wealth of learning and development opportunities.
