

## Claims Assessor – 12 month fixed term contract

### Summary

Fancy a challenging, yet rewarding new opportunity? We're recruiting for a Claims Assessor to come and be part of a great team, to assess our Life and Disability claims.

This role is a 12 month fixed term contract, which will offer flexible home working once fully trained and competent in the role.

### Key Responsibilities – what you can expect from the role

- To receive notifications, assess claims and make settlements within guidelines and the LV= Claims Philosophy
- Our product range includes Life, Critical Illness, Business Protection, Income Protection and Waiver of Premium
- Speed and quality claims decisions are essential – you will need to demonstrate you can make fair and balanced decisions using the appropriate amount of evidence. Our phone lines are open between 9am and 6pm and you will have daily telephone and written contact with claimants, service providers and intermediaries

### About You – what we expect from you

- Manage claims from the initial notification through to the decision within agreed service levels and within your agreed level of authority
- Assessments will be in line with policy conditions and in line with the LV= Claims philosophy
- You will need strong communication skills with claimants, medical professionals, service providers, intermediaries, reinsurers and internal stakeholders so that you can;
  - o Obtain further information in relation to potential claims enquiries
  - o Articulate claims requirements and decisions clearly
  - o Support with resolving complaints and appeals
- Relationship building is key with claimants, intermediaries and service providers as well as working closely with other areas of the business such as Underwriting, Existing Business and our Technical Teams
- The ability to challenge the status quo and identify continuous improvements for our claimants
- We're looking for someone who is empathetic, due to the nature of calls you will be handling, a real people person!
- You'll need to be able to work under pressure and have a keen eye for detail.
- You will need to be good with numbers and a great communicator.

## What we require from you

### Essential

- Minimum GCSEs or Equivalent
- Experience of Claims Handling across the product lines
- Strong computer literacy, numeracy and verbal skills
- An effective communicator both verbally and in writing who can reliably demonstrate empathy, resilience, organisational skills and approachability
- Pro-active and can-do attitude

### Desirable

- Degree or equivalent CII qualification
