

Role: Claims Specialist

Duration: 18-month FTC

Department: Underwriting & Claims

Reports to: Underwriting & Claims Manager

Company Profile:

Founded as an in-house reinsurer, the Hannover Re Group (www.hannover-re.com) is the third largest reinsurance group in the world with Hannover Re UK Life Branch ("HRUK") operating in one of the largest and most competitive markets.

With approximately 3,600 staff worldwide and over 80 professionals based in the London office, we strive to attract high quality and creative thinkers to realise our vision – to be *Somewhat Different*.

We maintain a collaborative management philosophy offering a unique non-hierarchical working environment, recognising that the expertise and engagement of our people are core to the success of our Company. We welcome and embrace diversity of thought, perspective and background where everyone can be their true selves at work, feeling accepted, respected and supported.

Focusing on attracting exceptional talent, we have a long-term view on development, placing emphasis on challenging our people to realise their ambitions. We pride ourselves on having a strong track record of providing career progression for our staff both locally and internationally.

The Role:

The focus of this position is to assess a wide variety of complex Life and Disability claims as well as participating in client meetings and claims audits, as required.

Duties & Responsibilities:

- Responsible for life, critical illness and income protection claims decisions within agreed limits.
- Continually validating claim procedures and practices so that appropriate risk decisions are made.
- Full participation in HRUK's external visibility programme including attending client meetings, seminars and industry events and reporting back accordingly.
- Enhancing the Hannover Re employer brand through speaking opportunities and producing industry relevant articles.
- Taking part in the HRUK Claims audit programme producing reports and recommendations as required.
- Providing technical expertise to HRUK's Business Development team during protection business tenders and other in-house initiatives.
- Continually identifying opportunities to improve both internal and client companies' processes and philosophies.

Qualifications Required:

- CII Claims Diploma.

Experience:

- Experience in Claims in a similar role.
- Proven working and in-depth knowledge of Life and Critical Illness products.
- Income protection claims experience desirable.

- Knowledge of the UK protection market, products, claims practices.
- Knowledge of the relevant codes of practice and legislation.

Skills:

- Excellent written and verbal communication skills.
- Ability to work both independently under own initiative and as part of a team.
- Ability to deliver excellent customer service.
- Excellent client relationship management skills.
- Excellent attention to detail and accuracy.

Person Specification:

- **Communicating and Influencing**
Excellent negotiation skills and demonstrated capacity to influence decisions and manage relationships with key stakeholders both in HRUK (Senior Management team) and across the Group. Adapts communication style depending on audience.
- **Problem solving**
Ability to break down complex issues and identify trends, patterns, and interdependencies. Pragmatic approach to assessing risks when developing solutions.
- **Delivery and Accountability**
Accountable for individual and team deliveries to support the overall company objectives. Creates an environment where challenge is expected and encouraged and holds individuals accountable for same. Efficient and responsive ensuring deadlines are met.
- **Innovation and Continuous Improvement**
Creates an environment where new ideas and solutions are encouraged. Continuously strives for process improvement.
- **Developing Capability and Knowledge Sharing**
Actively develops and enables the team acting as a role model.
- **Customer Focus**
Develops a deep understanding of the complexities of the business in order to implement ideas and technical expertise. Ensures that customer feedback is actioned, and customer satisfaction maintained.
- **Team Player**
Focuses on building and maintaining a positive team culture and developing cross-functional relationships. Embraces diversity of thought, ideas, and skills to engage the team and deliver objectives.
