

Claims Assessors or Medical Underwriters based in Cheltenham and Swindon

Competitive salary plus benefits

Capita are seeking experienced Claims Assessors and Underwriters to join our successful team in Cheltenham and Swindon

About the role – Claims Assessor

- To pro-actively assess and manage Disability claims that may include Waiver of Premium, Income Protection and Terminal/Critical Illness (and other product benefits that are specific to a client account)
- To deliver an accurate, efficient and quality service in line with the Capita Life and Pensions service level agreements and receive good feedback following internal and external claim audits
- To interpret policy terms and conditions, medical evidence and financial accounts in order to reach a decision on the validity of a claim
- Provide thorough and robust justifications of decisions and refer cases to third parties including, Chief Medical Officers reassurers and client company contacts in an accurate and clear manner
- To communicate well both verbally and in writing to give clear instruction, adhere to TCF, manage the claimant's expectations and portray Capita's high standards of claim assessment.
- To support our pro-active approach to claim management by use of the telephone wherever appropriate to establish the circumstances of a claim, clarify information, triage and manage the expectations of the claimant
- Provide support for less experienced members of the team by sharing experiences, knowledge and ideas
- May deal with complaints/appeals or learn and develop skills to deal with complaints/appeals and or analysis
- To demonstrate good questioning skills in both written and oral communication in order to achieve the desired outcome effectively

About the role – Underwriter

- To pro-actively assess Underwriting cases on products that may vary on client accounts, ensuring that business is written efficiently and effectively within budget limitations.
- To deliver an accurate, efficient and quality service in line with the CLPS service level agreements and receive good feedback following internal and external underwriting audits.
- To interpret client philosophies to ensure that underwriting decisions are made in line with this guidance.
- Provide thorough and robust justifications of decisions and refer cases to third parties, including Chief Medical Officers reassures and client company contacts in an accurate and clear manner.
- Where appropriate, to support our pro-active approach to underwriting by use of the telephone to establish the circumstances of the case, clarify information, triage and manage the customer's expectations.

About Capita | Life & Pensions

We are the major supplier of business process outsourcing (BPO) services to the UK life and pensions industry and an emerging presence in international life assurance markets where we provide a broad range of integrated services that mirror the operations of a traditional life and pensions business.

Working in partnership with over 20 well known UK and international financial services providers we administer life, savings and pensions policies on their behalf. Our delivery network is also now well established in Europe and in International markets where we have experience in coordinating services in 12 different countries, supporting over 250 product types.

Capita Life and Pensions is part of Capita plc, the UK's leading provider of business process management and integrated professional support service solutions, with 68,000 staff across the UK, Europe, South Africa and India.

About you

- 5 GCSE's including Maths and English
- Must have underwriting experience or a proven Medical Claims Assessment track record
- Passionate about delivery of customer service and excellent claim management
- Good numeracy and literacy skills
- Can do, supportive attitude
- Excellent judgment and decision making skills
- A thorough and methodical approach, paying attention to detail in all aspects of claim assessment or underwriting decision making

What's in it for you?

At Capita, training and development aren't optional extras: they're how we do our job. We will motivate you to perform at your peak, recognising your achievements and rewarding them appropriately.
