

Claims assessor (Group and Individual)

The roles

Are you a skilled claims assessor with an appetite for providing excellent customer service and a desire to support our vulnerable customers when they need it most?

If so, look no further for your next career challenge. Here at AIG we pride ourselves on being innovative in our approach, customer focussed and determined to make a positive difference to our policyholders and members.

We currently have two roles, one as a Group Claims Assessor and another as an Individual Claims assessor. To get more information specific to the role, please follow the links below, where you can also apply:

Who we are

American International Group, Inc. (AIG) is a leading global insurance organisation. Building on 100 years of experience, today AIG member companies provide a wide range of property casualty insurance, life insurance, retirement solutions, and other financial services to customers in more than 80 countries and jurisdictions. These diverse offerings include products and services that help businesses and individuals protect their assets, manage risks and provide for retirement security.

Get to know the business

Come and join an ambitious and growing company that helps people plan for the future. We're an innovative business who want to stand out from the crowd. AIG Life UK are experts in protection. We look after over 1.2 million people, and we specialise in life insurance, income protection, critical illness cover and more. For us, protection products are about more than financial security. We help our customers and their families to live their healthiest lives, supporting them when they need us most.

Why work for us

At AIG we have a strong customer focus and are always looking for innovative ways to ensure we put our customers at the heart of everything we do and deliver what matters to our customers. Both the claims team and the wider business are supportive and collaborative so there is always someone on hand to support you.

In addition to a competitive salary, and our generous benefits package, there are lots of great reasons to join us. Take a look on our [career pages](#) for more details about our flexibility, commitment to health and wellbeing, and how you can grow with the company.
