

Claims Assessor - Group Income Protection

Assicurazioni Generali S.p.A UK Branch Employee Benefits

Hybrid working / London

To apply Contact darren.michel@generali.co.uk

We have an exciting opportunity for an experienced Income Protection Claims Assessor to join our expanding claims team. This is a full-time permanent position, specifically this role will be working on disability claims, including Income Protection and Critical Illness products.

Established in Trieste (Italy) in 1831, Assicurazioni Generali SpA is a business with a history. The Generali Group is one of Europe's biggest multiline insurers by market capitalisation and it ranks in the top three insurers in Europe by global premium income. The Generali Employee Benefits (GEB) Network, composed of more than 100 local insurance companies, is one of the leading partners in the international employee benefits management field, servicing more than 1,500 international corporate customers. JOB SUMMARY

To take responsibility for the timely and accurate assessment and management of Income Protection claims, ensuring a high level of customer service whilst minimising anti-selection, fraud and financial exposure. Support the Head of Claims & Medical Underwriting in the delivery of profitability of the Division and the department's targets.

PRINCIPAL ACCOUNTABILITIES

- Efficiently and accurately assess income protection claims, providing support to clients with regard to absence management, as well as identifying non valid and fraudulent claims and ensuring the accurate assessment of Generali's liability.
- Ensure the timely review and follow up of all in payment income protection claims to verify continued entitlement to benefit, mitigating measures available and accurate claims reserving.
- Carry out administrative duties relating to the above processes.
- Provide support to the Head of Claims & Medical Underwriting Department and the Early Intervention and Admin functions of the claims team.
- Ensure that internal procedures, claims philosophy and operational authorities are adhered to.
- Ensure that all procedures and documentation are compliant with the applicable legislation and industry guidelines including, but not limited to, those set down by the FCA and the ABI as well as the legislation governing the processing of sensitive personal data, access to confidential medical information and various discrimination laws.
- Provide training and guidance to clients regarding Generali's claims philosophy including absence and disability management.
- Participate in projects and initiatives which develop the service and products of GEB UK as well as providing input into the claims management philosophy.
- Build effective working relationships with brokers, clients, claims service providers, and other GEB UK teams.
- Be able to accompany business development managers with remote or face to face client visits and present Generali's claim processes and GIP proposition.

KEY ATTRIBUTES

Excellent technical knowledge and awareness of Group Income Protection claim assessment and management. Excellent team work and communication skills. Excellent analytical and decision making skills. Good self motivation and organisation skills. Good ability to cope with deadlines and work under pressure. Operational proficiency in use of Microsoft Office and in house computer systems.

EDUCATIONAL REQUIREMENTS

Educated to A Level standard.

CII qualifications desirable.

TYPE OF EXPERIENCE REQUIRED

Strong previous experience and exposure in handling Group Income Protection claims ideally at least 5 years in a group risk environment or experience can be solely from a Direct Insurer or from combination of a Direct Insurer and Reinsurer. Demonstration of technical ability with claims assessment and decision making. Previous claims decision making authority is an essential requirement. Knowledge of Medical or Scheme Underwriting would be beneficial.

JOB RELATED COMPETENCIES

- Gathers and assesses background information with an eye for detail and confidence in communicating the claim decision via the telephone and in writing.
- Has established a track record of producing work that is highly accurate, demonstrates attention to detail and reflects well on the organization. Is personally committed to high quality work and encourages others to have similar standards.
- Possesses the technical skills and knowledge required to perform essential tasks in an efficient and effective manner.
- Demonstrates the willingness and ability to train or coach others in the technical arena.
- Is an effective team player who adds complementary skills and contributes valuable ideas, opinions and feedback.
- Communicates in an open and candid manner and can be counted upon to fulfil any commitments made to others on the team.
- Gathers enough information to allow a trustworthy assessment of risks and benefits of alternative approaches in any decision. Stays focused on objectives and considers both the short term and longer term impact of decisions and keeps objectives in mind throughout the process.

GENERALI EMPLOYEE BENEFITS' COMMITMENT FOR RECRUITING

Generali Employee Benefits is committed to promote equal opportunities in employment. Candidates will receive equal treatment regardless of age, disability, gender reassignment, marital or civil partner status, pregnancy or maternity, race, color, nationality, ethnic or national origin, religion or belief, sex or sexual orientation. At Generali, we believe that it is our differences that make the difference. At the heart of everything we do, we value the fact that we are all human beings, unique in our own ways, bringing different cultures, lifestyles, mindsets, and preferences. Our commitment is to leverage this Diversity to create long-term value, to be innovative, sustainable, to make the difference for our people, our clients, our partners as well as our communities. We strive to promote a culture where D&I is embedded in how we work and do business every day. All of us around the world are taking actions every day to create an inclusive and accessible workplace, where every person feels empowered to take ownership, to challenge biases and lead the transformation with a human touch. Personal data collected will be strictly used for recruitment purpose only. All unsuccessful applications will be destroyed max. 3 months after this recruitment campaign closing.
