**Contact Details: [jonny.howgego@royallondon.com](mailto:jonny.howgego@royallondon.com)**

We have an exciting opportunity for a Claims Philosophy Developer to join our expanding team on a permanent basis. It will be your responsibility to develop and improve our claims philosophy and practices in line with Royal London's business and propositional goals.

### **About the role**

- Use data to understand trends and inform change
- Lead the delivery of improvements to claims philosophy from design to implementation
- Provide technical support and guidance to internal and external stakeholders
- Support senior leaders in implementing and embedding the Risk Management System

### **About you**

- Expert in Life, CI and disability claims assessment and management
- Driven to deliver excellent customer outcomes
- A sound understanding of legal and regulatory matters that affect claims and underwriting
- An ability to use data to inform and support philosophy developments
- Good planning, co-ordination, and organisation skills
- Good people management skills
- Able to maintain composure and professionalism in pressurised, stressful, and uncertain situations
- Ability to listen, communicate, challenge and influence team members, immediate peer group and senior business management

### **About Royal London**

We're the UK's largest mutual life, pensions and investment company, offering protection, long-term savings and asset management products and services.

Our [People Promise to our colleagues](#) is that we will all work somewhere inclusive, responsible, enjoyable and fulfilling. This is underpinned by our Spirit of Royal London values; Empowered, Trustworthy, Collaborate, Achieve.

We've always been proud to reward employees by offering great workplace benefits such as 28 days annual leave in addition to bank holidays, an up to 14% employer matching pension scheme and private medical insurance. You can see all our benefits here - [Our Benefits](#)

### **Inclusion, diversity and belonging**

We're an [Inclusive](#) employer. We celebrate and value different backgrounds and cultures across Royal London. Our diverse people and perspectives give us a range of skills which are recognised and respected – whatever their background.
