

Claims Specialist - London

An exciting opportunity has arisen for a highly motivated individual with excellent interpersonal and analytical skills to join a re-insurer with a significant global presence. The Associate Claims Specialist will be responsible for the delivery of the Gen Re claims proposition in the UK and Ireland. The main focus is the assessment of reinsurance liability on claims, this includes but is not limited to the development and implementation of the Gen Re Claims training programme, client auditing activities as well as representing the company by way of presentations, client meetings and seminars at various Gen Re and industry meetings and conferences as required.

Gen Re is a member of the Berkshire Hathaway family of companies and a world-class global reinsurer specialising in the Property/Casualty and Life/Health markets. Gen Re is represented by an international and U.S. network of more than 40 branches and subsidiary offices in key markets. The reinsurance industry, which is part of the underlying structure of the financial industry, provides and shares insurance risk with insurance companies. Gen Re has a superior financial strength rating of A++ (Superior) from A.M. Best

The Role

This position includes a broad range of tasks, including:

- Assessing and administering claims from a variety of product lines that include Life, Critical Illness and Disability Claims according to the Gen Re Claims philosophy and standards
- Supporting the marketing of Gen Re Claims services and expertise
- Making accurate claims decisions that include the validation of claims and evaluating claims that can be rehabilitated.
- Remaining up to date with the latest claims trends through appropriate research
- Monitoring client claims management practices ensuring they remain rigorous
- Building on the existing relationships of the Claims Team's Internal and External Clients

Skills and Competencies

- Strong analytical and critical thinking skills
- Collaborative teamwork attitude
- High degree of energy and creativity
- Good organisational skills that include: prioritisation and time management skills and completing tasks to tight deadlines
- Strong verbal and written communication skills
- Excellent interpersonal skills
- Solid software skills
- Resourceful problem solver
- Organised and able to prioritise workload
- Ability to work with minimal supervision
- Self-motivated
- Comfortable taking ownership of own workload

Qualifications and Experience

- Excellent knowledge of the UK Insurance market
- Extensive experience and comprehensive knowledge of dealing with life, critical illness and disability claims
