

Senior Claims Assessor

Serco is a FTSE 250 international service company which combines commercial know-how with a deep public service ethos. We improve services by managing people, processes, technology and assets more effectively. We advise policy makers, design innovative solutions, integrate systems and - most of all - deliver to the public. Serco supports governments, agencies and companies who seek a trusted partner with a solid track-record of providing assured service excellence. Our people offer operational, management and consulting expertise in the aerospace, defence, education, health, justice and immigration, local government, science, technology, transport and the commercial sectors.

Serco offers a broad range of middle and back office services, providing our client customers with administrative, transactional, process and voice support. The outcomes we deliver for our client customers range from handling enquiries, taking sales orders, processing travel or healthcare bookings, to performing financial services. Consequently, our services are typically fundamental to the client customer operation.

We are currently recruiting for a Senior Claims Assessor to hit the ground running and support our contract with Aegon, in return we offer a competitive salary, flexible 35 hour working week and the possibility of working either in the Lytham office or working from home after an initial training period. Aegon provides financial services including pensions, annuities, life insurance and investments. The core purpose of your role as a Senior Claims Assessor will be to support the accurate claim assessment and processing of all life and disability products.

Responsibilities:

- Process claims within the required service standards and in accordance with departmental objectives.
- Produce accurate assessment of all claims using; title, medical, financial, occupational and pursuits evidence in line with claims philosophy and practices. Refer as appropriate to the Consultant Medical Officer (CMO), reassurers, line manager and Aegon strategy.
- Handle and support complex customer and IFA enquiries. Demonstrating empathy and strong customer care skills both written and verbal.
- Provide guidance to others in order to resolve queries using appropriate processes, tools, systems and philosophy.
- Handle complaints in line with regulatory timescales and company procedures.
- Willingly share knowledge with colleagues and adjust approach to work effectively with others.
- Contribute to the effective management of claims costs including medical fees and seek and communicate opportunities to reduce costs.
- Operate in such a way as to minimise and alleviate reputational and financial risk to both Serco and Aegon.
- Operate within defined authority levels.
- Abide by all regulatory and compliance requirements in carrying out the requirements of the role, informing stakeholders where relevant e.g. Financial Conduct Authority (FCA).
- Escalate issues that are outside of personal authorisation limits as appropriate.
- Maintain data and records in line with regulatory, reinsurer and company requirements.
- Participate in learning and development to achieve a continuous and up to date understanding of Aegon and market related products and processes.
- To behave internally, in the communities in which we operate and when externally representing the company, in accordance with the Governing Principles and Serco Management System.
- To adhere to all Serco requirements associated with Safety, Risk and Compliance.
- Effectively manage internal and external stakeholders and regulatory bodies.

Knowledge, Skills and Experience:

- Decision Making
- Serco Internal
- Teamwork
- Excellent Communication skills
- Effective time management and work planning
- Customer Relationship Management
- Knowledge of Life and Pension products
- Developed competence in MS Office Suite
- Claims Diploma desired but not essential. Experience in lieu of qualification will be considered
- Experience of working in a busy claims environment

Essential skills:

- Significant Claims assessment experience with authorities in Life and Critical Illness assessment
- A good understanding of protection products
- Good analytical and numerical skills and be able to analyse and make decisions on cases
- Excellent communication skills
- Knowledge of risk and change management

Desirable skills:

- Income Protection and Group Income Protection claims assessment experience
- Total and Permanent disability claims assessment experience
